## INVOCATION

The Invocation is given by **COUNCILWOMAN JO-ANN RYAN**.

"Dear Lord, we place ourselves before You, where You are filled with beauty and light. Bless this meeting and all those present. Help and guide us to do what is best for the people of this great city. Help us to listen before speaking, help us to respect the opinions of others, help to value and appreciate everyone's thoughts and contributions, help us to be steadfast in our duties as representatives of the people of Providence and help us to remember those who came before us on this great American journey. Let us remember Susan B. Anthony, that great activist who on this day in 1873 was charged and fined \$100.00 for trying to vote in the election of 1872. Enlighten us so that we may do what is right on this day and in this time. Let it not be lost on this honorable body that we sit here on the eve of June 18<sup>th</sup>. Regrettably, still the un-official holiday celebrating the emancipation of the last remaining and slaved African-Americans. Help us to do what is right. We all have a role to play in seeing that systemically that the violence stops and stops now. Help us to come together in unity and to make our city and state better for all and for future generations. May Your light unfold us, may Your spirit guide us. Amen."

## PRESENTATION OF RESOLUTIONS

### COUNCIL PRESIDENT MATOS, COUNCILWOMEN ANTHONY, CASTILLO, COUNCILMEN CORREIA, ESPINAL, GONCALVES, COUNCILWOMAN HARRIS, COUNCILMAN IGLIOZZI, COUNCILWOMEN KERWIN, LAFORTUNE, MILLER, RYAN, COUNCILMEN SALVATORE AND TAYLOR

Resolution Recognizing and Honoring African American History in Rhode Island and urging the adoption of African American Education in Rhode Island's K-12 Schools starting in the 2021-2022 Academic Year.

**WHEREAS**, Rhode Island holds a unique place in history with the establishment of its Royal Charter on July 8, 1663, that marked the first time that a sovereign leader signed a charter guaranteeing that individuals within a society were free to practice the religion of their choice without any interference from the government; and

**WHEREAS**, As Rhode Island became the first American Colony to declare its independence from Great Britain on May 4, 1776, it was also at the same time in history, one of the most active slave ports in British North America transporting thousands of enslaved Africans to the Colony, with the first documented slave ship arriving at Newport in 1696; and

**WHEREAS**, The contributions of African Heritage people from all walks of life and their endeavors to learn and thrive throughout history and make unforgettable marks in our State and Nation as artists, scientists, educators, business people, influential thinkers, members of the faith community, athletes, and political and governmental leaders, reflects the greatness of the State of Rhode Island; and

**WHEREAS**, The 1696 Historical Commission was signed into law on July 1, 2014 and was tasked with developing a comprehensive African American history curriculum for Rhode Island public schools from kindergarten through grade 12 and said Commission led by our Secretary of State and comprised of scholars, civic and educational leaders developed and submitted a comprehensive report that included units of instruction and educational resources; and

**WHEREAS**, As an important resource for building history curriculum, the Rhode Island Black Heritage Society, the oldest African Heritage society, has an extensive collection of documents, photographs, and artifacts from the African Heritage people of Rhode Island and works in collaboration with other historical societies across the state; and

**WHEREAS**, With the unifying call for Black Lives Matter, racial reconciliation, social justice, and citizen equity being reflected across the state, nation and world, the establishment of an African Heritage history curriculum in Rhode Island is long overdue; and

**WHEREAS**, Remaining hopeful and confident about the path ahead, and a time to acknowledge the courageous fight for the rights, liberties, and freedoms for all Americans, the City Council of the City of Providence encourages all citizens, educators, students, and families across the city and state to learn about the heritage and achievements of African Americans through appropriate educational programs and learning experiences.

**NOW, THEREFORE, BE IT RESOLVED**, That City Council of the City of Providence does hereby adopt this resolution to honor and recognize our city and state's great history and the tremendous contributions made by citizens of African heritage people and call on the Rhode Island General Assembly and Honorable Governor of the State of Rhode Island to enact legislation that authorizes the Rhode Island Department of Education to include African Heritage history education in all public K-12 schools, starting in the 2021-22 Academic Year.

**BE IT FURTHER RESOLVED**, That Copies of this Resolution be sent to all other Rhode Island cities and towns urging them to passed similar resolutions and support this worthwhile learning endeavor.

**COUNCIL PRESIDENT MATOS, COUNCILMEN GONCALVES, CORREIA, IGLOZZI, COUNCILWOMEN LAFORTUNE, MILLER, RYAN, ANTHONY, CASTILLO, COUNCILMAN ESPINAL, COUNCILWOMEN HARRIS, KERWIN AND COUNCILMAN SALVATORE**

Resolution Requesting the General Assembly to allow a referendum to shorten the official State name to the State of Rhode Island.

**WHEREAS**, In 2009 the Rhode Island General Assembly approved a ballot referendum to allow the voters to decide on shortening the official state name to "The State of Rhode Island" by removing "and Providence Plantations"; and

**WHEREAS**, While the referendum was ultimately rejected by the voters in 2009, the underlying reasons for the referendum still exist and have only grown more pressing in the intervening years; and

**WHEREAS**, Since 2009, America has had to grapple with the deaths of Trayvon Martin, Michael Brown, Eric Garner, Sandra Bland, Breonna Taylor and most recently George Floyd, all of which refocused the discussions surrounding race, inequality, and justice in this country; and

**WHEREAS**, The reference to the Providence Plantations in our state name, while not a direct refence to slavery, serves as a distinct reminder of the early years of the State in which slavery played in pivotal role in forming the foundation of Rhode Island's economy; and

**WHEREAS**, Across the country Cities and States are recognizing that confederate statues and memorials must be removed, not to erase the country's history but to acknowledge that as a society we do not need to continue celebrating individuals and institutions that were so directly linked to the horrors of the slave trade; and

**WHEREAS**, While it would not be appropriate to ignore the significant role that slavery played in the formative years of the state, it is also entirely unnecessary and in many ways offensive to continue to identify that era in our history in such a glaring manner as in the official name of the State.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council requests the General Assembly revisit the issues surrounding the official name of the state and allow a new referendum for Rhode Island voters to decide whether the use of "Providence Plantations" is still appropriate in today's society.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution be sent to the members of the Providence Delegation, as well as the Speaker of the House and the Senate President.

Resolution Requesting the City Council to condemn the actions of the Minneapolis Police Officers responsible for George Floyd's death.

**WHEREAS**, On May 25, 2020, George Floyd was killed by a Minneapolis police officer during an arrest when the officer pressed his knee into Mr. Floyd's neck for over nine minutes; and

**WHEREAS**, In addition to the officer kneeling on Mr. Floyd, there were three other police officers on the scene who stood by and did nothing as Mr. Floyd was pleading for his life; and

**WHEREAS**, Had the officer repositioned his knee away from Mr. Floyd's neck, or any one of the other three officers stepped in to intervene, George Floyd would still be alive today; and

**WHEREAS**, The callous disregard for Mr. Floyd's life and the refusal to intervene in such a blatant act of evil are appalling and reprehensible behavior that cannot stand in our society; and

**WHEREAS**, Police officers are tasked with protecting and serving the civilians of their jurisdiction and what the whole world witnessed in Minneapolis on May 25<sup>th</sup> was a disgusting act of men who completely ignored the oaths that they took as law enforcement officers.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council hereby condemns the actions of the four officers involved in the death of George Floyd as there is no place in a civilized society for anyone to kneel on someone's neck or to stand idly by when such clear acts of evil are being committed.

**COUNCILMEN CORREIA, IGLIOZZI, NARDUCCI, TAYLOR AND COUNCIL PRESIDENT MATOS**

**RESOLVED**, That Fleet Manager is requested to work with Colonel Hugh T. Clements to identify which police vehicles should be converted to confidential plates and to submit a plan to prevent any misuse of take home vehicles, and what course of action will be taken if policy is violated.

Resolution Requesting a review of the Providence Police Department Training Curriculum and its Use of Force Policy.

**WHEREAS**, On May 25, 2020, George Floyd was killed by a Minneapolis police officer during an arrest when the officer pressed his knee into Mr. Floyd's neck for over nine minutes; and

**WHEREAS**, On June 5, 2020, over 10,000 people gathered in Providence to protest against police brutality and systemic racism; and

**WHEREAS**, Similar protests have occurred in every state in the country as it has become increasingly clear that the manner by which police departments are managed in the United States has resulted in a complete breakdown in trust between the police and communities of color; and

**WHEREAS**, While the recent protests are in response to the killing of George Floyd, the issues of systemic racism, police brutality, and the failure of the government to support communities of color have plagued our society for generations; and

**WHEREAS**, It is time for all elected officials around the country to step up and put a stop to the endless cycle of senseless killings with no accountability; and

**WHEREAS**, The Providence Police Department intends to hold a training academy in the upcoming fiscal year in order to train fifty new police officers who will be tasked with protecting and serving the residents of the City; and

**WHEREAS**, It is imperative that the Providence Police Department evaluate their current training techniques, especially their use of force policy, so that the public can be assured that the Providence police department is well equipped through proper training, education, and established policies to protect and serve all members of the community.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council asks the Commissioner of Public Safety and the Chief of the Providence Police Department to conduct a detailed review of all police training procedures, including the academy training curriculum, as well as the department's use of force policy, in order to provide a report to the Council outlining concrete steps that the department will take to improve the training and competency of the City's police department.

**BE IT FURTHER RESOLVED**, That the Providence City Council requests the Mayor of Providence to impose a moratorium on hiring any new Police Officers, including conducting the proposed training academy, until such time as the Council has been provided an opportunity to review and approve the report called for in this resolution.

**BE IT FURTHER RESOLVED**, That a copy of this resolution be transmitted to the Mayor of Providence, the Commissioner of Public Safety, and the Chief of the Providence Police Department.

Resolution Requesting a review of Providence's First Source and Minority Business Enterprise Programs.

**WHEREAS**, On June 5, 2020, over 10,000 people gathered in Providence to protest against police brutality and systemic racism; and

**WHEREAS**, Similar protests have occurred in every state in the country as it has become increasingly clear that the manner by which police departments are managed in the United States has resulted in a complete breakdown in trust between the police and communities of color; and

**WHEREAS**, While the recent protests are in response to the killing of George Floyd, the issues of systemic racism, police brutality, and the failure of the government to support communities of color have plagued our society for generations; and

**WHEREAS**, Elected officials around the country must do more to support our communities of color by addressing the systemic issues embedded within our society; and

**WHEREAS**, The City Council of Providence has attempted to address some of the financial hurdles that communities of color face by creating programs that will provide jobs and opportunities for the residents of Providence; and

**WHEREAS**, The Providence First Source Program is administered through the Office of Economic Opportunity and is designed to provide an avenue for Providence residents to receive job training and access to local jobs within the City; and

Resolution Urging the General Assembly to repeal the Law Enforcement Officers' Bill of Rights.

**WHEREAS**, On May 25, 2020, George Floyd was killed by a Minneapolis police officer during an arrest when the officer pressed his knee into Mr. Floyd's neck for over nine minutes; and

**WHEREAS**, The officer in question was not initially charged with any crime and it was only when the video of Mr. Floyd's murder was made public that charges were brought against the officer and his partners; and

Resolution Requesting the City Council, the Chief of Police, the City Fire Marshall, and the Director of the Board of Licenses coordinate their efforts to better mitigate the discharge of illegal fireworks within the city.

**WHEREAS**, In the past several weeks Providence has seen a drastic increase in the number of fireworks discharged within the City, often late into the night and directly over residential neighborhoods; and

**WHEREAS**, Rhode Island General Law §11-13-1 prohibits the use of aerial fireworks without first obtaining a permit from the local Fire Marshall; and

**WHEREAS**, Section 9-81 of the Providence Code of Ordinances further prohibits the sale or use of fireworks within the City without first obtaining a Fireworks Permit from the Board of Licenses by filing an application that includes the name of the applicant and all locations where the fireworks will be used or sold; and

**WHEREAS**, It has become clear that despite the existing laws prohibiting the sale and use of fireworks within the City, there is still a great deal of confusion on how these prohibitions are enforced and who residents should contact when they are aware of fireworks being discharged in their neighborhood; and

**WHEREAS**, As we draw closer to the Fourth of July it is necessary that the City's residents are fully aware of the laws surrounding fireworks so that everyone can enjoy their summer in a safe and peaceful manner.

**NOW, THEREFORE, BE IT RESOLVED**, That the City Council of the City of Providence does hereby request that the Chief of Police, the City Fire Marshall, and the Director of the Board Licenses coordinate their efforts to better mitigate the discharge of illegal fireworks within the City, and further coordinate in the creation of an outreach plan to educate members of the community on the laws surrounding the use of fireworks, how to report violators of the law, and how to assist in the identification of locations where fireworks are being discharged.

**BE IT FURTHER RESOLVED**, That the City Council hereby requests that the Mayor's Administration provide, on its website, a non-emergency number that constituents can call to report the use of fireworks, as well as establishments that are selling fireworks, within the City, and further create a specific category in 311 dedicated to reported fireworks violations.

**BE IT FURTHER RESOLVED**, That the City Council hereby requests the Solicitor's office to review the existing fines set out in the City Ordinance, as well as the fines laid out by State law, to determine if there are any discrepancies that need to be addressed.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution be provided to the Mayor of Providence, the Commissioner of Public Safety, the Chief of Police, the City Fire Marshall, the Director of the Board of Licenses and the City Solicitor.

Resolution Requesting that the Providence Retirement Board review pension benefits for police officers disciplined for using excessive force.

**WHEREAS**, On May 25, 2020, George Floyd was killed by a Minneapolis police officer during an arrest when the officer pressed his knee into Mr. Floyd's neck for nearly nine minutes; and

**WHEREAS**, In response to the death of Mr. Floyd, there have been protests throughout the country and around the world calling for systematic changes to policing in this country; and

**WHEREAS**, One of the significant failures of our current system surrounds how jurisdictions discipline police officers when they are charged with using excessive force on civilians; and

**WHEREAS**, It is not uncommon for officers to be suspended with pay during the time they are investigated for their conduct and it is also not atypical for an officer to continue to receive pension benefits following a disciplinary action from their department; and

**WHEREAS**, Continuing to compensate officers who are charged with using excessive force, including providing them with significant pension benefits, causes a complete lack of trust between the public and their local police.

***NOW, THEREFORE, BE IT RESOLVED***, That the Providence City Council asks the Providence Retirement Board to review the existing rules and regulations surrounding police officer pensions and, more specifically, how the City handles pension benefits for officers disciplined for the use of excessive force.

***BE IT FURTHER RESOLVED***, That a copy of this resolution be transmitted to the Mayor of Providence, the Commissioner of Public Safety, the Chief of the Providence Police Department, and the Providence Retirement Board.

Resolution Urging the General Assembly to impose a duty to intervene for police officers.

***WHEREAS***, On May 25, 2020, George Floyd was killed by a Minneapolis police officer during an arrest when the officer pressed his knee into Mr. Floyd's neck for almost nine minutes; and

***WHEREAS***, While much of the initial focus was on the actions of the officer kneeling on Mr. Floyd's neck, there were also three other officers at the scene who had every opportunity to intervene and prevent this tragedy from occurring; and

***WHEREAS***, Every police officer takes an oath to serve and protect the civilians within their jurisdiction and yet the entire world has been forced to watch three sworn officers stand by and do nothing to assist a man who was pleading for his life for nearly nine minutes; and

***WHEREAS***, While it is easy to describe the actions of the officer kneeling on George Floyd as an evil act of a "bad apple", it is far more difficult to describe the other three officers as simply "bad apples" and not a reflection of the system; and

***WHEREAS***, The failure to intervene and hold fellow officers accountable for their actions is one of the core issues that erodes trust between the police and the constituents they are sworn to protect.

***NOW, THEREFORE, BE IT RESOLVED***, That the Providence City Council urges the General Assembly to enact legislation that would impose a duty to intervene for every police officer who witnesses misconduct by a fellow law enforcement officer as this is a vital component for rebuilding trust between officers and the communities they serve.

***BE IT FURTHER RESOLVED***, That, upon passage, copies of this resolution be sent to the members of the Providence Delegation, as well as the Speaker of the House and the Senate President.
