PROVIDENCE SCHOOL BOARD NEGOTIATING COMMITTEES**

AGREEMENT MADE AND ENTERED INTO on this ____ day of _____, 2002 by and between the School Board of the City of Providence (hereinafter referred to as the "Board") and the Providence Teachers Union, Local 958, American Federation of Teachers, AFL-CIO (hereinafter referred to as the "Union") as heretofore ratified pursuant to Section 17-27 of the Providence Code of Ordinances (Section 17-27).

PREAMBLE

Whereas, the Providence School Board and the Providence Teachers Union are committed to planning and implementing educational programs of the highest caliber designed to meet the multifaceted needs of our diverse student population, and

Whereas, in the pursuit of this common goal we also share the fundamental beliefs about educational philosophy and the nature of our joint responsibility to establish and maintain a collaborative working relationship based on trust, mutual respect, clear and direct communication, and a commitment to shared decision making, and

Whereas, Rhode Island General Laws 28-9.3-1 et seq., the Arbitration of School Teacher Disputes, accords to certified public school teachers the right to organize, to be represented, to negotiate professionally and to bargain on a collective basis with school committees covering hours, salary, working conditions and other terms and conditions of professional employment, and

Whereas, the School Board of the City of Providence and the Providence Teachers' Union desire to promote good relations among certified teachers and between the School Board and the Union in the best interests of high quality education in the Providence school system, to provide and maintain mutually satisfactory terms and conditions of employment and to provide for the adjustment of grievances and disputes arising out of employment of certified teachers, and

Whereas, both the School Board and the Union recognize and accept the principles of collective bargaining as provided for by said Teachers' Arbitration Act, and

Whereas, in an election conducted by the Rhode Island State Labor Relations Board among eligible professional personnel of the Providence School System on June 20, 1966, a majority of those voting selected as the exclusive representative the Providence Teachers Union, and it thereby became the sole bargaining agent for all certified teaching personnel.

Now, therefore, the Board and the Union hereto agree as follows:

**ARTICLE 1
UNION RECOGNITION AND JURISDICTION**

1-1 Union Recognition

The Board recognizes the Union as the exclusive bargaining representative for all those persons in the bargaining unit which consists of all certified teaching personnel, long-term substitute teachers, long-term substitute teachers in-pool, home visitors, social workers and nurses but which excludes all administrators and per-diem substitute teachers.

1-2 Jurisdiction

The jurisdiction of the Union shall include those persons now or hereafter who perform the duties or functions of the categories of personnel in the bargaining unit.

The term "per-diem substitute teacher" as used in this agreement means a person hired by the Director of Human Resources to serve as a day-to-day substitute and who is not represented by the Union.

A per-diem substitute teacher will become a "long-term substitute teacher" when said per-diem substitute teacher works in excess of 68 days in one semester for the same absent teacher. A per-diem substitute teacher who is substituting for different absent teachers on a day-to-day basis will become a "long-term substitute teacher" when said per-diem substitute teacher has worked 135 days in a school year.

When a substitute teacher is employed pursuant to Article 8-6.4, the number of school days worked during the school year as a part-time regularly employed and/or a part-time long-term substitute teacher shall be counted together with the number of days worked as a substitute teacher when determining the number of days worked in a school year. A teacher’s non-teaching service time during the school day; that is, administrative periods, compensatory periods, unassigned periods and travel time during the school day shall accrue to the certificate area required of the teacher to fulfill the majority portion of his/her assignment. Where a teacher has no majority assignment, the teacher shall choose, at the time the program begins, to which certificate area among those required to fulfill those assignments, shall the non-teaching service portion of the program accrue system-wide area certification seniority.

Teachers shall accrue system-wide area certification seniority for all paid and non-paid leaves except for leaves without pay as provided for in 5-6.1, 5-6.4 and 5-12. Teachers on all other leaves shall accrue system-wide area of certification seniority.

Where the number of years of teaching service in the areas of certification is equal, the date of employment shall be the determining factor. Where the number of years of teaching service in the areas of certification is equal and the dates of employment are the same, qualification, experience and credentials will be the determining factor in the evaluative judgment to be made by the Superintendent. ARTICLE 4 SICK LEAVE

4-1 Full-Pay Sick Leave

All regularly appointed teachers shall earn full-pay sick leave as follows: Each teacher shall be credited with twenty (20) full-pay sick leave days at the start of each work year and any unused portion thereof shall be added to his/her accumulated balance. However, teachers in the first three (3) years of service shall earn full-pay sick leave at the rate of ten (10) days per year, to be credited to the teachers sick leave reserve at the beginning of each of the work years, and shall receive at the beginning of the fourth year of service an additional credit of up to thirty (30) days which shall be added to their accumulated sick leave reserve.

4-1.1 In each case of absence for illness in excess of four (4) consecutive work days a member of the bargaining unit shall file with the Superintendent or other designated personnel a certificate from a physician certifying that said illness prevented him/her from performing his/her duties. The board shall reserve for itself the right to require medical examination by its own physician.

4-2 Half-Pay Sick Leave

Teachers hired prior to the ratification of this Agreement shall have any accrued and unused half-pay sick leave days that they have accumulated converted to full pay days at the rate of one (1) full pay day for every two (2) accrued and unused half-pay days. These converted half pay days will be placed in a "special reserve bank". Effective the first work day of the 2002-2003 school year, access to the "special reserve bank" will be available only after an active teacher exhausts his/her days of sick leave allowance at full-pay. No teacher shall be entitled to use or receive any new or additional half-pay sick leave days upon ratification of this Agreement by the Providence City Council.

Teachers who do not wish to convert accrued and unused half pay sick leave days as indicated above may choose to be paid for said accrued and unused half pay sick leave days upon retirement in an amount equal to 10% of the teacher's daily rate for the 2001-2002 teacher work year as indicated in Appendix A of this Agreement.

In order for a teacher to be eligible for the above payout he/she must have been employed for at least ten (10) years with the Providence School Department and must apply for pension benefits no more than ninety (90) days after completion of his/her teaching service in the Providence School System.

Upon ratification of this Agreement by the Providence City Council, teachers shall be afforded the one-time opportunity to either elect to convert accrued and unused half-pay days as described above or choose to be paid for said accrued and unused half pay sick leave days upon retirement.

4-2.3 The annual increment of such teacher who has been absent due to illness for 135 or more days in his/her work year shall be withheld until such time as the teacher serves at least 135 days in his/her work year.

4-3 Accumulated Sick Leave Balances

All regularly appointed teachers shall have full days sick leave as provided in section 4-1 hereinabove added to any accumulated balance now held by the teacher, except that no teacher shall accrue more than one hundred (150) full pay-sick leave days.

4-4 Sick Leave Reserve

Teachers on sick leave shall have charged against their accumulated sick leave reserve only those days of absence that occur while work is in session. Information on a teacher's accumulated sick leave shall be furnished to each school at the beginning of the work year and shall be made available to each teacher upon his/her request.

4-5 A teacher who improperly utilizes sick leave may be disciplined for just cause. Prior to implementing any discipline,

The Board shall conduct a fair and objective investigation of any allegedly improperly utilized sick leave, and provide to the teacher all evidence and documents pertaining to said investigation within a reasonable time prior to any hearing.

Warnings and discipline for improper utilization of sick leave will be applied equitably, fairly, impartially, and without discrimination.

Any discipline under this section will be reasonable and related to the seriousness of the matter and to the past record and conduct of the teacher.

Nothing herein shall be construed as denying the teacher the right to file a grievance pursuant to the terms and provisions of Article 15 of this Agreement.

4-6 The provisions of this Article shall be available to a teacher because of disabilities caused or contributed to by pregnancy, miscarriage, legal abortion, childbirth, and recovery therefrom.

4-7 Any teacher who exhausts the benefits provided in this Article and who is able to perform his or her duties shall return to work, shall exercise rights under this Contract or shall be terminated.

4-8 Any teacher who utilizes no more than five (5) sick days during a work year (including both sick leave reserve and emergency sick leave) shall receive upon request a separate check no later than thirty (30) days after the last day of that work year equal to no more than five (5) days pay. All unused sick leave (minus the five (5) days pay) shall be credited to the teacher's sick leave bank.

4-9 The parties agree to establish an Emergency Sick Leave Bank to which all eligible members of the bargaining unit shall have access. The Emergency Sick Leave Bank is intended to provide eligible teachers with additional paid sick time when said eligible teacher's accrued time (full pay sick leave, special reserve bank) has been exhausted.

To be eligible to use Emergency Sick Leave Bank time:

- a) The teacher must have a documented illness or injury that is expected/anticipated to exhaust the teacher's accrued time (full pay and special reserve bank);
- b) The teacher must have contributed at least five (5) full pay sick leave days to the Bank, which days shall not be refunded to the teacher once assigned to the Bank;
- c) The teacher must present a physician's note certifying the illness/injury, the amount of time anticipated to be absent, the prognosis and/or treatment and the teacher's anticipated date of return;
- d) Emergency Sick Leave Bank time may only be used for a teacher's personal illness or injury. Such time may not be used to attend to the illness of a family member or extend a teacher's leave of absence that is not due to personal illness;
- e) A teacher who is receiving Workers' Compensation benefits pursuant to the Rhode Island Workers' Compensation Act, or benefits pursuant to the Rhode Island Temporary Disability Act, shall not be eligible to apply for or receive Emergency Sick Leave Bank time to supplement that compensation;
- f) All requests for use of Emergency Sick Leave Bank time shall be made in writing at least thirty (30) days prior to the date when the time will be used, or at least fifteen (15) days prior to the eligible teacher beginning use of his/her own accrued paid leave time due to an illness or injury, whichever is sooner, unless that absence is unforeseen and/or an emergency, in which case application shall be made as soon as practical after the teacher learns of the need for Emergency Sick Leave Bank time.

The Emergency Sick Leave Bank shall be administered by a Committee established jointly by the Providence School Board and the Providence Teachers Union. The Superintendent shall select two individuals and the Teachers Union President shall select three individuals to serve as members of the Committee. The Superintendent and the Teachers Union President shall be ex officio members of the Committee and shall have all rights and powers granted to all members of the Committee.

All requests to use time from the Bank shall be in writing and shall be reviewed by the Committee. The Committee shall notify the teacher of approval or denial by mailing said notification, certified mail return receipt requested, to the teacher's home address. Any decision(s) of the Committee regarding use, access, application and any other process or procedure concerning the Emergency Sick Leave Bank shall be final and binding upon the Providence School Board and the Providence Teachers Union and shall not be subject to the contractual grievance procedure or any other administrative remedy.

It shall be the Committee's responsibility to manage the Emergency Sick Leave Bank and, among other things, determine the appropriate level of accumulated days necessary to remain in the bank in order for the Bank to be viable. Should the accumulation of days in the bank fall below a minimum level that the Committee deems necessary to effectively administer the Bank, the Committee may request Bank members to make an additional contribution. Where an additional contribution is requested, each member of the Bank wishing to retain membership shall assign the required number as determined by the Committee. Where a member of the bank wishes to retain membership, but has exhausted his/her full pay sick leave and is unable to make the necessary required contribution, said member shall either assign an equivalent amount of full pay sick leave, or if such full pay sick leave is not available, said member shall assign such additional half pay sick leave days as of the date on which said member next accrues sick leave in a sufficient quantity to make the donation.

Membership in the Emergency Sick Leave Bank shall be pursuant to rules drafted by the Committee. New members may join the Emergency Sick Leave Bank each year, at times designated by the Committee, by assigning no less than five (5) full pay sick leave accumulated days to the Bank. Current members of the Bank may make additional contributions to the Bank during periods designated by the Committee.

Eligible teachers requesting to use time from the Bank may make an initial request of no more than sixty (60) days. Extensions of use of Emergency Sick Leave Bank time may be made to the Committee. Any extension request must be documented pursuant to rules as designated by the Committee.

Forms for teachers to donate time to the Emergency Sick Leave Bank and to make application to use Emergency Sick Leave Bank time shall be determined by the Committee and shall be available at the Department of Human Resources and the office of the Providence Teachers Union.

Such leave shall establish service credit as established in Section 5-5.

5-11 Quarantine

There shall be no loss of salary or sick leave allowance when a teacher is quarantined by order of the Health Department. Such leave shall establish service credit as established in Section 5-5.

5-12 Parental/Adoptive Leave

A teacher who elects to use the provisions of Article 4 of this Agreement entitled "Sick Leave" for temporary disability due to pregnancy or adoption shall not have the right to avail herself of the provisions of this Section. Notice of said election shall be made in writing no later than thirty (30) days prior to the commencement of the leave except for extenuating circumstances.

The Superintendent shall grant a maternity leave of absence or a leave of absence in the case of any adoption to a member of the bargaining unit.

Written notice must be given to the Superintendent by a reasonable time but not less than thirty (30) days prior to commencement of the leave. Extenuating medical circumstances will obviate the notice of leave. The leave of absence shall extend for at least one (1) year from the beginning of said leave. A request for a shorter leave shall be according to the request of the teacher with proper medical certification that the teacher is able to return to employment. A teacher declaring her intention to resume her regular teaching duties when she is physically able to do so as certified by a physician shall be allowed to return to her former position. A written request for return from leave must be received by the Superintendent no less than thirty (30) days before the expiration of the leave.

The Superintendent may extend the leave another year for other reasons beyond the one (1) year period. Any such extension shall be by written permission. However, the total period of leave shall not exceed two (2) years. Any absence beyond two (2) consecutive years shall be deemed a resignation.

At the expiration of a leave, the teacher shall be reinstated with all rights and benefits accorded to a teacher on a no-pay leave. A teacher on leave shall have the option to retain her Comprehensive Medical Coverage and riders as outlined in Appendix C. Teachers electing the option shall reimburse the Providence School Department on a monthly basis for the premium at the Providence Teachers' group rate.

5-13 Teacher Placement Following Leave

5-13.1 A teacher granted a leave of absence with pay for one (1) year or less or a teacher on sick leave who has not exhausted his/her sick leave benefits shall not relinquish his/her right to the specific assignment held at the time that his/her leave was granted. A teacher hired or reassigned to replace such a teacher on leave with pay or on sick leave shall be notified upon his/her appointment or placement or both that he/she may be required to relinquish this position when said teacher returns to the Providence School System.

5-13.2 A teacher granted a leave of absence without pay shall be reinstated at the termination of his/her leave. Such teacher shall be given preference to the specific assignment he/she held at the time his/her leave was granted, if available. In no case shall any substitute teacher replacement be retained for such specific assignment.

5-14 Delegation of Authority

All requests for leaves under 5-1 and 5-2 shall be transmitted to the Superintendent or his/her designee no later than ten (10) school days prior to anticipated absence, except for extenuating circumstances. All requests for leaves under 5-3 shall be transmitted to the Superintendent or his/her designee as soon as reasonably possible. All other requests for leaves must be transmitted no later than thirty (30) days prior to the anticipated absence except for extenuating circumstances. Simultaneously, a copy of each request for long-term leave shall be

furnished to the appropriate superior of the teacher. The Superintendent or his/her designee shall act on all matters pertaining to such leaves.

5-15 All leaves shall commence on the first full day of absence.

5-16 A teacher on leave may be hired as a substitute upon his/her request. Such substitute service shall not constitute a termination of leave.

ARTICLE 6 JOB CONNECTED INJURY AND ASSAULT AND/OR BATTERY

6-1 Job Connected Injury

Members of the bargaining unit covered under Article 1 shall receive up to ninety (90) days non-cumulative full pay leave for each injury sustained by the teacher arising out of and in the course of his/her employment provided that there is no negligence on the part of the injured teacher and that the school department is notified in writing as soon as possible but no later than five (5) days from the date of the alleged injury unless the extent of the injury prevents such notification. Such notification shall include the date of the alleged injury and all circumstances in connection therewith.

Entitlement to such full pay leave shall be determined according to evidence presented by persons in a position to testify as to the circumstances and nature of the injury sustained.

The Board shall have the right to require medical examination by its own physician of any teacher who is absent due to a claimed work related injury. If said examination is scheduled during a time while the teacher is working, the teacher shall incur no loss of salary in attending the examination.

Teachers who have exhausted the full-pay leave provided in this section may then use their full-pay sick leave credited to their sick leave reserves.

If the circumstances warrant, the Superintendent, subject to the approval of the Board, may grant additional full-pay leave days.

If a teacher continues to be unable to perform his/her regular duties after he/she has exhausted his/her non-accumulated ninety (90) full-pay leave days as provided herein, said teacher should he/she continue to be unable to perform his/her regular duties shall have the option to utilize his/her accumulated full-pay sick leave reserve days he/she is entitled under Article 4, Section 1 entitled "Full-Pay Sick Leave" or elect to take Workers' Compensation, if qualified.

If the teacher elects to utilize his/her accumulated full-pay sick leave-reserve days and exhausts said days, the teacher if he/she continues to be unable to perform his/her regular duties may elect Workers' Compensation, if eligible.

In no event shall any teacher who is receiving workers compensation benefits and/or OJI benefits receive such weekly benefits in an amount that exceeds his/her weekly gross salary.

6-2 Assault and/or Battery

A member of the bargaining unit shall be granted full-pay leave, without loss of pay, for absences caused by injuries resulting from an assault and/or battery sustained by a teacher arising out of and in the course of his/her employment provided that the Superintendent is notified in writing as soon as possible but not later than three (3) days from the date of the alleged assault and/or battery unless the extent of the resulting injury prevents such notification. It is the intent of the parties to administer this provision in accordance with the terms of R.I.G.L. 9-1-31.

The period of paid leave shall cover such injured teacher for a maximum period of one (1) year from the date of injury; provided, however, that the School Department's contributions shall be reduced by the RI State Retirement allowance and/or Social Security benefits in the case of permanent disability.

The Board shall have the right to require medical examination by its own physician of any such injured teacher. If said examination is scheduled during a time while the teacher is working, the teacher shall incur no loss of salary in attending the examination.

Such leave shall not be charged against the teacher's sick leave.

If the circumstances warrant, the Superintendent, subject to the approval of the Board, may grant additional full-pay leave days.

If a teacher continues to be unable to perform his/her regular duties after he/she has exhausted his/her one (1) year paid leave as provided herein, said teacher should he/she continue to be unable to perform his/her regular duties shall have the option to utilize his/her accumulated full-pay sick leave reserve days he/she is entitled to under Article 4, Section 1 entitled "Full-Pay Sick Leave" or elect to take Workers' Compensation, if qualified.

If the teacher elects to utilize his/her accumulated full-pay sick leave-reserve days and exhausts said days, the teacher if he/she continues to be unable to perform his/her regular duties, may elect Workers' Compensation, if eligible.

In no event shall any teacher who is receiving workers compensation benefits and/or OJI benefits receive such weekly benefits in an amount that exceeds his/her weekly gross salary.

6-3 Expenses

Teachers covered under Sections 6-1 and 6-2 shall be indemnified with respect to all necessary medical expenses as required under the Workers Compensation Act.

6-4 Teachers on leave as outlined in Sections 6-1 and 6-2 shall be entitled to service credit as provided in Section 5-5.

6-5 Workers' Compensation

Any funds received by a teacher under any On-the-Job Injury Benefits, Assault and/or Battery Benefits and/or sick leave provisions of a collective bargaining agreement and/or School Board policy involving illness, shall be credited as an advance of compensation should said teacher subsequently file a claim for Workers' Compensation for the same period of time for which said teacher has collected On-the-Job Injury, Assault and/or Batter, or sick leave benefits.

For purposes of the within agreement, specific compensation paid pursuant to Rhode Island General Law 28-33-19 shall not be treated as an advance of compensation for which a credit shall be allowed nor shall the within agreement in any way alter or diminish any rights afforded by the Collective Bargaining Agreement by and between the Providence Teachers Union and the Providence School Board and the Workers' Compensation laws of the State of Rhode Island.

ARTICLE 7 EXPENSE OF PRINTING AND DISTRIBUTING AGREEMENT

7-1 The Union and the Board agree to share equally the cost of printing and distributing this Agreement in booklet form, and the Union agrees to distribute a copy of the Agreement to each teacher presently employed by the Board and to each new teacher hired by the Board.

8-1.4 Art, Music, Library Teachers

Whenever the average class size of an Art, Music and/or Library teacher at the elementary level (K-6) exceeds the maximum set forth in Article 8 due to students from the class of an absent teacher being added to said Art, Music and/or Library teachers' classes, they shall be compensated in accordance with the Cenerini Formula in AAA Case No. 1139-0696-85, February 21, 1986. 8-7 Substitute Teachers

Effective the first day of the 2002-2003 teacher work year, the following language shall replace Appendix S

It is the intent of the Parties to allow the Board full flexibility in the hiring of substitute teachers.

In every instance of a teacher absence, in every instance where a vacancy exists, and in every instance when a teacher is assigned away from his/her classroom (i.e., workshops, professional development sessions, committee meetings, etc.), the Board's first priority shall be to employ a substitute teacher.

Substitute teachers shall be offered substitute teaching assignments in accordance with the following priority order:

1. Certification match (i.e. Social Studies certified substitute teacher assigned to cover the classes of an absent Social Studies teacher).
2. Level match (i.e. secondary certified substitute teacher assigned to cover the class of an absent secondary teacher).
3. Teacher match (i.e. any certified substitute teacher assigned to cover the class of an absent teacher).

The Board shall have employed two hundred twenty-five (225) substitute teachers utilizing any combination of the following employment categories:

- a) per-diem substitute teacher
- b) long-term substitute teacher in-pool
- c) long-term substitute teacher
- d) regular teacher

Any teacher whose name appears on any Recall Seniority List prior to September 1, 1995 shall not waive his/her recall seniority rights to be recalled as a per-diem substitute teacher, long-term substitute teacher, long-term substitute teacher in-pool or as a probationary/regular teacher when said position(s) become available.

Any teacher hired on September 1, 1995, or thereafter, as a per diem substitute teacher, long-term substitute teacher or long-term substitute teacher in-pool whose name does not appear on the 1994-95 Recall Seniority List or any previous Recall Seniority List shall be eligible to serve as a per-diem substitute teacher, long-term substitute teacher or long-term substitute teacher in-pool and be eligible for all the rights and privileges of said teaching positions(s) except that said teacher shall not be eligible for placement on any Recall Seniority List unless said teachers receives a layoff notice as a probationary regular teacher.

8-7.1 The Board will determine the compensation provided to per-diem substitute teachers and it shall not be a condition addressed by this Collective Bargaining Agreement.

8-7.2 In-School Coverage

If the Board has made every effort to hire a substitute teacher and no substitute teacher is available, the following shall occur:

Elementary Schools

If the Board has made every effort to hire a substitute teacher, and no substitute teacher is available, students shall be distributed among other teachers in the school. The Board shall pay each teacher who is assigned a student(s) at the rate of a teacher at step one (1) of the salary scale as listed in Appendix A divided by the fractional part of the class covered.

Middle Schools and Senior High Schools

If the Board has made every effort to hire a substitute teacher and no substitute teacher is available, the principal shall utilize teachers in his/her school according to the following procedure:

The principal of each school shall establish during the first week of school a roster of substitute teachers who volunteer their unassigned time to cover the assignments of absent teachers. Rosters of volunteer substitute teachers shall be established by area of certification. Additionally, a school-wide roster of volunteer substitute teachers shall be established.

All rosters of volunteer substitute teachers shall list, by unassigned time, the names of volunteer substitute teachers in alphabetical order. Teachers who volunteer to have their names added to the rosters of volunteer substitute teachers after the first week of school shall have their names placed alphabetically on the rosters beginning at the end of the original list.

All teachers listed on the rosters of volunteer substitute teachers shall be obligated to accept assignments of the principal during the school year.

When a principal assigns teachers from the rosters of volunteer substitute teachers, he/she shall make assignments first from the roster of volunteer substitute teachers with the same area of certification as the absent teacher. If there are insufficient names on the roster of volunteer substitute teachers in the area of certification, the principal shall then assign teachers from the school-wide roster of volunteer substitute teachers.

All assignments from the rosters of volunteer substitute teachers shall be on a rotating basis by alphabetical order. Rosters of volunteer substitute teachers shall be made available to teachers and the Union for inspection upon request.

If for any reason there is an insufficient number of teachers on the rosters of volunteer substitute teachers to cover the assignments of absent teachers, the principal shall utilize teachers in his/her school during their unassigned time for emergency coverage on a rotating basis by alphabetical order.

The number of coverages assigned to each teacher including those who have been absent for five (5) consecutive days or less shall be equal to, or nearly so, to other teachers provided that said make-up coverage necessary to attain said equalization is fairly, reasonably, and equitably assigned by the principal.

Teachers who are absent in excess of five (5) consecutive school days shall be exempted from said make-up coverage for said days of absence and shall be given credit for coverage equal to that which they would have been assigned had they not been absent.

The Board shall not be liable for payment to any teacher who has fewer paid coverages as a result of the application of this section.

When a teacher covers an assignment, the teacher covering the assignment shall be paid at the per-diem/per-period rate of a teacher on step one (1) of the salary scale as listed in Appendix A.

8-7.3 Time of Payment

Teachers entitled to paid coverage in elementary schools, middle schools and high schools as stated in this section shall be paid monthly. The principal of each school shall maintain a payroll register available to teachers and the Union for inspection upon request.

8-7.4 In-School Incentive-Coverage Plan

Effective with the first work day of 2002/2003 school year the In-School Incentive Coverage Plan will cease and the provisions of Article 8-7 will be utilized.

8-8 Closing of Schools

When adverse weather conditions prevail which warrant the closing or delayed opening of school, the Superintendent or his/her designee shall notify the media by 6:45 a.m.

The Superintendent's first priority shall be to delay the opening of schools, weather and road conditions permitting.

In the event that a particular school experiences problems of an emergency nature, including but not limited to the school's heating system, burst pipe(s), etc., the Superintendent shall make every effort to relocate students and staff to another comparable area or site or shall make every effort to close the school for children and to have the school's faculty report to an alternate site.

8-9 Interdepartmental Communications

No members of the bargaining unit shall be required to transport interdepartmental communications.

8-10 Scholarship Standards

If the Board is unable to employ a long-term substitute teacher, the remaining job-sharer shall fill the position for the balance of the school year or until a long-term substitute teacher is hired, whichever occurs first.

In the event that a vacancy occurs in the case of one of the job-sharers, it shall be filled by a regularly appointed teacher. Article 8-31 Site Based Management

The Board and the Union agree that the school site is the appropriate place for most decision-making affecting the education of children in that school. Accordingly, they agree that the school sites should have as much flexibility as possible in managing their budget and organizing their educational programs for maximum educational effectiveness, free of unnecessary restraints imposed by School Department policies or by this collective bargaining agreement. This approach is known as Site-Based Management.

The parties also agree that the best quality decisions at the local level are likely to result from a process of shared decision-making. Shared decision-making is a process in which all members of the education community at the school level collaborate in establishing a vision, identifying problems, defining goals, formulating policy, implementing programs, and learning from experience.

The purpose of shared decision-making is to create a climate in the schools where faculty, parents, administrators, students (at the high school level), and other community participants working together share the responsibility and accountability for school improvement, better student performance, increased satisfaction among professional educators, greater involvement by and with parents, and stronger support from the community at large.

The parties recognize that the overriding goal of Site-Based Management and shared decision-making is to improve the quality of instruction and learning for students. All actions taken shall be consistent with this goal.

To achieve these goals the parties agree to the establishment of a Union/Board Site-Based Management Technical Support Committee (hereinafter referred to as the "Committee") shall be comprised of three (3) persons appointed by the Chairperson of the Providence School Board and three (3) persons appointed by the President of the Providence Teachers Union. The School Board Chairperson and the Union President may appoint alternate members of the Committee to ensure full participation and representation of each party at each Committee meeting. In addition the parties shall mutually agree upon and appoint one (1) person from outside the Providence School System (i.e. an individual who is not employed by the Providence School Board) who shall serve as a voting member of the Committee. The individual mutually appointed by the parties shall be selected on an annual basis and shall sit as chairperson of the committee.

The Committee's function and responsibilities include but are not limited to the following:

1. Receive and expeditiously review all Site-Based Management proposals.
2. By majority vote, the Committee shall approve or reject each Site-Based Management Proposal. The Committee may request proposal modification prior to voting.
3. Monitor the implementation of each approved Site-Based Management Proposal.
4. On an annual basis and by majority vote, the Committee shall reauthorize or rescind authorization of each previously Approved Site-Based Management Proposal. The Committee may request proposal modification prior to voting.
5. Work cooperatively with and support the technical assistance requests of each school community interested in becoming an Approved Site-Based Management Site.
6. Report, on a quarterly basis, the status of Site-Based Management in the Providence Public Schools.
7. Establish all guidelines and procedures relative to site based management.
8. Meet regularly to fulfill the duties and responsibilities contained herein.

Schools, including School Programs within a school (i.e. Essential School), wishing to apply for site-based status will request a copy of the official application from the Union/Board Site-Based Management Committee. Said application is subject to revision based upon a majority vote of the Committee.

Finally, the Union and the Board agree that any school community, including School Programs within a school (i.e. Essential School), wishing to become an Approved Union/Board School Site-Based Management Site must follow the process established by the Committee.

A child shall not be sent from the class except to the area designated by the principal. The teacher will readmit the child, assuming an appropriate adjustment has been made, following a conference with the teacher and/or one of the following parties: an administrator, a counselor, visiting teacher, school psychologist, home visitor, a parent or guardian of the child. ARTICLE 12 TRANSFER POLICY

Effective upon the ratification of this Agreement the following Article 12 Transfer Policy provisions will be applicable.

12-1 Summer Placement Meetings

The Summer Placement Meetings represent the manner in which teachers select or are assigned to a teaching position after returning from a leave of absence, as a result of a consolidation, preference, transfer, lay-off, rescission or the result in a change in status from part-time to full-time.

Teachers invited to a Summer Placement Meeting shall be provided with a list of all vacancies and a seniority list showing the rank order of each teacher eligible to attend a Summer Placement Meeting. These lists are to be provided to each teacher eligible to attend a Summer Placement Meeting at least three (3) business days in advance of the meeting.

Any teacher unable to attend a Summer Placement Meeting may designate a proxy (in writing). Said proxy shall have full authority to act on the teacher's behalf and decision by said proxy shall be binding upon the teacher and the Board.

12-2 Order of Placement

The order of the Summer Placement Meetings is as follows:

12-2.1 Consolidated Teacher Meeting - This meeting shall be held on the first Tuesday following the last School Board meeting in June. Teachers invited to this meeting shall include: teachers returning from a paid leave of absence or a parental/adoptive leave of absence who do not have rights to a particular assignment; teachers returning from a no-pay leave of absence and consolidated teachers. Teachers will select positions in accordance with their System-Wide Area of Certification Seniority (SWACS).

12-2.2 Immediately following the Consolidated Teacher Meeting, the Office of Human Resources shall contact (in the following order) any teacher previously consolidated (who is eligible to return to his/her previous school), any teacher who filed a preference sheet (who is now eligible for a same-school, same-certificate transfer) and any teacher whose name remains on the previously utilized Transfer List (transfer requests filed prior to June 26, 1999) whose request may now be honored. Teachers contacted must accept/reject the position offered in a timely manner.

12-2.3 The Job Fair - This meeting shall be held on the seventh (7th) business day after July 4th except that this meeting shall be held on the fifth (5th) business day after July 4th during even numbered years. Any regularly-employed teacher who wishes to transfer to another position within the Providence schools for the commencement of the next work year must file a Request for Transfer in person at the Office of Human Resources at any time between orientation day and the close of business on May 15. All teachers who file said Request for Transfer shall be given a written receipt for said request and shall be invited to the Job Fair. No request for transfer will be accepted after the close of business on May 15 or before orientation day.

Each Job Fair position will be awarded to the teacher with the most seniority (Date of Hire) bidding on the position. Each teacher who successfully bids for a job shall be required to produce a valid certificate for the job and, having done so, shall be given written confirmation of the assignment. The position currently held by the teacher shall then be added to the list of jobs available for bidding. Participants may successfully bid on one position in each certificate area listed on his/her Request for Transfer. Should a participant successfully bid on a position in a different certification area, the abandoned position and the teacher who eventually selects the abandoned position shall be subject to the provisions of Article 12-3.6. Any teacher unable to attend the Job Fair may designate a proxy in writing. Said proxy shall have full authority to act on the teacher's behalf and decision by said proxy shall be binding upon the teacher and the Board.

12-2.4 Lay-off Recall Meeting - This meeting shall be held on the fourth (4th) business day after the Job Fair Meeting for the following groups of teachers:

12-2.4.1 Suspension List - Probationary teachers who have received suspension letters shall be reinstated in the inverse order of their suspension determined by their date of employment as probationary teachers. No new probationary or long-term substitute appointments shall be made

while there are available probationary teachers so suspended unless the suspended teacher is not certified in the newly created or vacant teacher position. Teachers shall have available to them any and all vacancies that are known to the School Department at the time of recall. Teachers will select positions in accordance with their System-Wide Area of Certification Seniority (SWACS). Any teacher unable to attend the Lay-off Recall Meeting may designate a proxy in writing. Said proxy shall have full authority to act on the teacher's behalf and decision by said proxy shall be binding upon the teacher and the Board.

12-2.4.2 Part-Time Teachers - In the event that it is necessary to establish part-time teaching positions, the Board shall recall teachers from lay-off pursuant to Article 12-2.4 except that should a laid-off teacher be offered a part-time position and accepts or refuses, he/she is not deemed to have waived his/her rights to recall to a full-time position nor any and all other rights under the Collective Bargaining Agreement between the Providence School Board and the Providence Teachers Union. However, any laid-off teacher who refuses said part-time position may not assert a right to said position should it expand to a full-time position in the school year. Teachers will select positions in accordance with their System-Wide Area of Certification Seniority (SWACS). Any teacher unable to attend the Lay-off Recall Meeting may designate a proxy in writing. Said proxy shall have full authority to act on the teacher's behalf and decision by said proxy shall be binding upon the teacher and the Board.

12-3 Other Matters Pertaining to Transfers/Reassignments

12-3.1 Any teacher on the Transfer List prior to June 26, 1999 who refuses a position on his/her transfer request shall have his/her name removed from the Transfer List.

12-3.2 A list of transfer requests for each year shall be maintained by the Office of Human Resources showing the teacher's name and date of the request.

12-3.3 No teacher shall be involuntarily transferred except at the discretion of the Superintendent.

12-3.4 Teachers who are transferred because of a decrease in the number of teachers in any area of certification shall be given preference over any teacher on the transfer list, or any teacher who has filled out a preference sheet.

12-3.5 The Preference List is that list of teachers within that building who are seeking an intra-transfer. If two or more teachers request transfer to that intra-vacancy, the assignment will be made on the basis of system-wide area of certification seniority; and if the number of years of teaching service and the areas of certification are equal, the date of employment shall be the determining factor. Where the number of years of teaching service in the areas of certification is equal and the dates of employment are the same, qualifications, experience, and credentials will be the determining factors in the evaluative judgment to be made by the Superintendent or his/her designee.

12-3.6 Any teacher hired or assigned to a non-posted new position created after the Job Fair or any teacher hired on or subsequent to the first day of the teacher work year shall fill the position

for the remainder of the teacher workyear at which time the position shall be included in the listing of positions available at the subsequent Job Fair and the teacher shall be subject to the provision of 12-2.3.

12-3.7 All positions offered at the Consolidated Teacher Meeting, the Job Fair Meeting and the Lay-off Recall Meeting shall have ready and available for review the full teaching program in accordance with 13-1.2 and 13-3.4.

12-3.8 The Office of Human Resources shall maintain a list of all vacancies and/or new positions created after the Job Fair as well as a list of all positions filled after the Job Fair.

12-3.9 In the event there is a decrease in the number of teachers in any area of certification, teachers shall be transferred according to their system-wide area of certification seniority.

Said teacher, however, shall not be transferred should there be a vacancy before the first Tuesday following the last School Board meeting in June. Should there be a vacancy as stated herein, consolidated teachers within the school shall reselect positions in accordance with their system-wide area of certification seniority. If consolidated teachers within a school have already selected positions based upon their system-wide area of certification seniority and a vacancy should occur as noted herein before the first Tuesday following the last day of the school year, those teachers within the school shall reselect positions based upon said seniority and must designate proxies in writing to select on the teachers' behalf in the event that the teachers are not available to select positions on their own behalf at the time selections are again to be made, or said teachers will be placed in a position by the Office of Human Resources after all other teachers have been placed in said school.

Said teachers as may be transferred shall be reassigned in said area of certification in the inverse order of their transfer, if said teachers are available and so desire to be reassigned.

No new appointments shall be made to said area of certification while there are available teachers so transferred. Any teacher reassigned back to said area of certification shall have credited to him/her the total number of years of teaching service in said area of certification.

Said teachers being recalled will return to their former positions if said positions are available. If said positions are not available, the order of placement shall be according to system-wide area of certification seniority.

12-3.9.1 Any teacher occupying a full-time position in any school whose program is reduced to less than a full-time position pursuant to Article 12-3.9 shall become an itinerant teacher and shall have reinstatement rights equal to the reinstatement rights of all other teachers. An itinerant teacher is a teacher who services two or more schools, and the itinerant teacher's home base shall be in that school with the greatest amount of assigned teaching time during the week. In the event that the greatest amount of service is the same in two or more schools, the itinerant teacher shall elect the home-base school from among said schools. The itinerant teacher shall remain in said home-base school although the level of service may be reduced. Should the level of service increase in said school, said teacher shall have the right to the increased program. The

Administration may use the balance of the teacher's full itinerant assignment for reassignment as needs dictate.

12-3.10 Teachers on the recall seniority list shall be given preference to serve as Long Term Substitutes in Pool prior to any teacher not on a recall seniority list. A teacher on the recall seniority list who refuses per-diem substitute teaching assignments when called shall not be deemed to have waived any other rights under the Collective Bargaining Agreement between the Providence School Board and the Providence Teachers Union.

12-3.11 Each year, from March 1 through and inclusive of the last School Board meeting in June, teachers who receive lay-off notices shall be reinstated if positions are available. Said teacher shall return to the position they held prior to lay-off if said positions are available; and if not available, said teacher shall be reassigned pursuant to 12-2.4.

C-1.1 For those teachers who are enrolled in the Blue Cross Classic Health Care program and who wish to retain said coverage and not enroll in the City Blue Plan described hereinabove, they may do so by paying, through a payroll deduction, the premium difference between the cost of City Blue and the premium cost of Blue Cross Classic.

C-1.2 United Health Plan

C-4 Teachers who are transferred from one payroll to another shall be provided with and entitled to the medical coverage plan as outline herein.

C-5 Teachers who are employed on a three-fifths basis shall receive the benefits as outlined in Appendix C.

C-6 Retirees Option to Purchase Comprehensive Medical Coverage

C-6.1 The Board shall provide and fully pay the cost of the Individual plan for any teacher who is eligible to retire from the Rhode Island Employees Retirement System without incurring an actuarial deduction and who retires effective June 30, 1989, or after, and the cost for the Individual plan for his/her spouse up through their attainment of age sixty-five (65).

Should said retiree or spouse be eligible for medical coverage under Blue Cross or any other plan, then the Board will be obligated to furnish only excess coverage so that said retiree will have equivalent coverage as that offered by the Board. Should a retired teacher or spouse, subsequent to retirement lose said alternate coverage, then the Board will pick up full coverage under this section.

Further, the Board shall provide each of said retirees and their spouses with Plan 65 coverage upon their attainment of age 65 for the lifetime of each and the cost of this coverage shall be fully borne by the Board.

The family plan shall be provided to those retirees who have eligible unmarried dependent children to age 19 pursuant to Blue Cross, Blue Shield rules and/or eligible dependent student children in order to provide the student rider to age 26.

C-6.2 The Board shall furnish health care coverage, on an individual basis only, to employees who retire(d) on or after September 3, 1995. Said coverage shall be of the same plan in effect when the retiree was an active employee and shall remain in effect up to age 65. Any teacher who wants to receive individual Blue Cross Classic coverage upon his/her retirement must pay to the School Department the difference in premium between City Blue individual coverage and Blue Cross Classic individual coverage. Upon attainment of age 65, said coverage shall convert to Plan 65. This coverage shall be for life. The Board agrees to provide this coverage to the retiree's spouse upon the death of the retiree.

C-6.3 Except for those teachers who receive a job-related disability retirement, all teachers hired effective September 1, 1997 and thereafter must be employed by the Providence School Board as a teacher for no less than ten (10) years in order to receive medical care coverage for retirees as stipulated in Appendix C. Teachers subject to this paragraph must apply for benefits under the State of Rhode Island Retirement System no more than ninety (90) days after the completion of their teaching service for the Providence School System.

C-6.4 Teachers who retire (or resign) at the end of the school year will be covered by Delta Dental and the regular Blue Cross plan through September 30.

C-6.5 Medical coverage options in addition to Appendix C are available to retired Providence teachers except for those retirees who have attained the age 65 and are Medicare eligible.

The teacher retiree's option to purchase the additional medical coverage must be given at the time that notice of retirement is given. The option provides that medical coverage in addition to that provided by Appendix C may be purchased and paid for by the teacher retiree that will be

equal to that enjoyed by the retiree when said retiree was an active teacher. The additional coverage includes:

Vision Care
Co-pay prescription coverage
Organ Transplant

Additionally, teacher retirees may purchase Delta Dental as an option at the time that written notice of retirement is given.

Delta Dental may be purchased by the teacher retiree regardless of medical coverage.

All premiums for Delta Dental and the additional Blue Cross medical coverage shall be at the Providence School Department group premium rate and shall be paid by the Providence teacher retiree to the Providence School Department on a monthly basis on or before the twentieth (20th) day of the preceding month of coverage.

The option to purchase Delta Dental and/or additional Blue Cross coverage must be taken when the teacher gives notice of retirement. There will be no further opportunity to purchase Delta Dental and/or additional Blue Cross coverage subsequent to when the teacher retiree has given written notice to retire or during the teacher's retirement.

Teachers who give notice to retire on or after the end of the school year will be covered by Delta Dental and the regular Blue Cross plan through September 30, and the teacher retiree who opts to purchase Delta Dental and/or additional Blue Cross coverage shall begin paying the Providence School Department the cost of said coverage beginning September 20, said coverage becoming effective October 1.

C-6.6 Any teacher who retires in accordance with Article C-6 and whose spouse/life partner remains employed by the Providence School Department, shall not be required to purchase medical riders and Delta Dental but shall be provided with said medical riders and Delta Dental until such time as the teacher's spouse/life partner is no longer employed by the Providence School Department.

C-6.7 A Providence teacher who retires on or after June 30, 1989, who has attained the age of 65 and his/her spouse who had attained age 65 has the option of waiving Blue Cross Blue Shield Plan 65 and instead has the option to elect to have Blue Cross Blue Shield coverage with or without riders as provided in C-6.5 provided that the retiree and/or his/her spouse pays the Providence School Department the difference between the cost of Blue Cross Blue Shield Plan 65 and the cost of the option elected which may or may not include riders.

In accordance with Federal Law, Medicare parts "A" or "A" and "B", whichever is applicable, will be the primary carrier and Blue Cross Blue Shield will be the secondary carrier.

C-6.8 The Board may offer medical coverage equivalent to Blue Cross Blue Shield and all riders provided in Appendix C hereinabove only after said equivalent medical coverage has been

accepted and ratified as an amendment to this Collective Bargaining Agreement by the Union membership.

The School Department, in conjunction with the City Administration, will prepare a request for proposal that will specify medical coverage equivalent to that provided by existing coverage.

Said plan will be implemented only with agreement by the Union.

If the parties are unable to agree that the medical coverage is equivalent to that provided by existing coverage, the issue will be submitted to final and binding arbitration according the rules of the American Arbitration Association.

C-6.9 Teacher Retiree Option

state of legal residence.

Our domestic relationship is not illegal.

2. We agree to notify the Providence School Department if the status of this relationship changes – including termination of the relationship or failure to meet any of the above criteria – by filing a Change of Status form no later than 30 days from the date of such change. We understand that we are responsible for reimbursing the Providence School System for any expenses incurred as a result of any knowingly false or misleading statement contained in this Affidavit. It is further understood that a deliberate false statement could result in disciplinary or legal action, including termination of employment at the Providence School System.

Should the program design incorporate large group instruction by the Clinical Social Worker and/or the Guidance Counselor, a class of special education students shall be considered 26 students in determining eligible pupil population.
- J-4** The ESDOPP Clinical Social Worker and Guidance Counselor shall not be considered as part of an itinerant group. However, the ESDOPP Clinical Social Workers and Guidance Counselors shall be considered a group amongst themselves for equitable standards.
- J-5** There shall be no reduction in the number of non-ESDOPP social workers, home visitors, or guidance counselors as a result of this program.
- J-6** Clinical Social Workers and Drop-Out Prevention Guidance Counselors shall fulfill the duties as outlined in the job specification (J-12 and J-13) which are herewith made a part of this Agreement and according to the program design (J-11) which is herewith made a part of this Agreement.

J-8 The selection of the Drop-Out Prevention Guidance Counselors and the Drop-Out Prevention Clinical Social Workers shall be made pursuant to Article 11 of the Collective Bargaining Agreement. Preference shall be given to those applicants who are currently serving in the guidance counselor and social worker areas of certification in the Providence School Department and absent applicants from these areas, preference shall be given to qualified teachers on preference sheets, and then the transfer list in order of transfer requests, and then the recall lists.

J-9 Pay for regular school-day work performed by the Drop-Out Prevention Guidance Counselors and Clinical Social Workers beyond the regular work day shall be on the basis of the pro ration of salary, and work done beyond the regular school year shall be compensated at the daily rate of pay. After school workshops and curriculum development activities shall be at the hourly rate (B-8). The schedule of work beyond the school day defined (Article 8-5.2) and the work year (Article 8-5.3) shall be by mutual agreement between the principal, Drop Out Prevention Guidance Counselor and Social Worker.

J-10 Each Clinical Social Worker and Drop Out Prevention Guidance Counselor shall be provided with safe, secure storage areas for files and other pertinent materials which may require confidentiality and for materials used in working with children, parents and staff members. Each counselor and social worker shall be provided with access to a telephone in a private place and to a private meeting space so that they may meet privately with counselors, parents and faculty.

J-11 ELEMENTARY DROP-OUT PREVENTION PROGRAM DESIGN

J-11.1 Purpose

It is the purpose of the Elementary Drop Out Prevention Program to provide intervention with and for students in elementary schools who appear to be at risk of school failure and/or who are potential school drop outs.

J-11.2 The Intervention Team

The Intervention Team in each school participating in the Elementary Drop Out Prevention Program shall meet at least once a week. The team shall be chaired by the principal. The members of the team shall include a Clinical Social Worker, and the Drop Out Prevention Guidance Counselor. From time to time, as needed, the team shall be expanded to include the nurse, referring teacher, faculty members of the school, special education personnel, and other school staff, depending upon the agenda at each team meeting.

- J-11.2.1** The team works with children, their families, school staff and significant adults when there is long-term risk of school failure and dropping out of school. Short term problems are within the purview of this regular guidance counselor and/or home visitor.

J-11.3 Referrals To The Team

Referrals of at-risk children will be made to the team by faculty and staff members. The referral form will include both checklist and narrative opportunities for the teacher or school staff member to describe why the child is being referred to the team. A referral form will trigger the placement of a child's case for discussion on the team's agenda. After reviewing the agenda, the team response form is sent back to the referring teacher with the disposition of the case. If the team agrees that the child merits intervention, an intervention plan shall be made and a team member shall be designated as case manager. The case manager shall keep the team updated on a regular basis as to progress made. Should the team determine that the child is not an appropriate referral, the staff or faculty member making the referral shall be invited to the next meeting to expand upon the referral form description and have an opportunity to request that the team reconsider its position. Should the team not reverse its position, the student shall automatically be referred to the regular counselor by the team.

- J-11.3.1** In developing a plan of intervention for each student, the team will identify specific areas of student strength and weakness, both in his/her relationships and in his/her academic program. The referring teacher or staff member will be apprised of the intervention plan and the case manager will compile and retain the file, including appropriate updates. The intervention plan may include work with the student, his family, home visits and consultations and meetings with significant adults and perhaps other staff members. Counseling sessions, attendance at workshops, resources of the community and other available means are expected to be used, as appropriate, to assist students and their families.

J-11.4 Program Offerings

The Drop Out Prevention Intervention Team will coordinate or offer opportunities to assist parents. A series of workshops will be offered to parents on a regular basis during hours when they are available to attend and may include such issues as:

- (A) The Single Parent Family; Nurturing Vs. Limit Setting
- (B) Is Your Child At Risk of Dropping Out of School?
- (C) Disciplining Your Child
- (D) Assisting Your Child With School Work
- (E) Improving Communication With Your Child's Teacher
- (F) The Hyperactive Child
- (G) Dealing With Adolescents
- (H) Alcohol, Other Drugs And Your Child

This list is not exhaustive and is only exemplary of the nature of offerings that may be made.

J-11.5 Program Limitation and Coordination With Current Programs

The Elementary Drop Out Prevention Program is not designed to supplant ongoing programs within the Providence School System, including the Elementary Guidance program and the Home Visitors Program. The current programs will continue in the same form and fashion as they currently exist. However, the programs may be coordinated. For example, if a student's chronic absenteeism continues after a home visitor has made a visit(s), with a referral, the intervention team may determine that work with the child and the child's parents on the issue of absenteeism and/or tardiness is appropriate for an intervention plan. Likewise, a child with a short term problem (i.e. bereavement, new school adjustment) would be addressed by the regular guidance counselor and would not be seen as an at-risk student unless referred to the team.

J-11.6 Program Implementation

During the summer of 1989, guidance counselors and social workers accepted into the program shall develop at least the following: a definition of at-risk which will be submitted to the Superintendent for approval and if approved will be used as the guideline for teachers and other staff members in making referrals to the team; the at-risk referral form; and the at-risk referral response form. In addition, the counselors and social workers shall develop regular formats for intervention plans, for record keeping, and outlines of workshops for parents and staff to be scheduled during the school year.
