The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has reviewed the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause "STOP" signs to be erected along Glover Street, at its intersection with Lindy Avenue.

Disposition: Denied. This is a "T" intersection with low traffic volumes and no reported accidents in three years. This department does not feel that a traffic control is warranted at this time.

Very truly yours,

A handwritten signature in cursive script that reads "Frank A. Tibaldi".

Frank A. Tibaldi  
Traffic Engineer
