**PETITION TO THE CITY COUNCIL**

TO THE HONORABLE CITY COUNCIL OF THE CITY OF PROVIDENCE:

*The undersigned respectfully petitions your honorable body*

The Complaint I have is about the "COMFORT ZONE".  
Located at Public Street, Providence, RI 02907.

These are some of the many complaints I have:

- Excessively loud music
- excessively loud music very late at night after supposed closing
- Outside bar with very rowdy people drinking and out of control
- Drinking outside
- Linger outside in cars and leaving bottles in front of homes times
- parking on Burnett St. (either side) and blocking driveways at
- Sometimes open after hours
- People under 21 visiting establishment

My recommendation is to go before licensing board and if enough complaints to close down because this is an area heavily populated with children and it sets bad example of acceptable behavior.
