The Home of Good Directories

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise.

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate,—That's the kind we make. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company

PROVIDENCE STREET DIRECTORY

COPYRIGHT, 1922, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of each street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Brigham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Brigham Streets

Providence House Directory

COPYRIGHT, 1922, SAMFSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets.

A list of Householders and Business Places arranged in numerical order upon their respective streets; those upon the right side of a street appearing first, followed by those upon the left side.

The streets are arranged in alphabetical order.

The location of intersecting streets is clearly shown at the actual number where they intersect.

Business places are denoted by the street number printed in heavy-faced figures. When a person's place of business and residence are at the same place, it is indicated by the use both of heavy-faced figures for the street number and of the abbreviation h at the end of the line. Names of boarders are designated by the letter b after the name. Names preceded by light-faced figures and having no abbreviation after them are housekeepers.

The abbreviation r between the street number and the name signifies "rear", but when it follows the name, "rooms"

THE GRAHAM HOMES

ARE FREE FOR ALL SERVICES

THE GRAHAM FUNERAL HOMES are maintained in anticipation of the desires of many for a place where relatives and friends may assemble, as in their own home. The W. H. Graham Corporation is prepared to care efficiently, tenderly and reverently for your departed, at your home, the church or the Graham Funeral Home, as you may desire.

This does not in any sense imply that our home is a substitute, either for the church or the family home, but is established in recognition of the desire on the part of many for the convenience which Graham Service makes possible, where relatives and friends may assemble as in their own homes.

We can reach any point within fifty miles of any of our homes in ample time. Positively making no greater charge for a funeral from that distance than from within the city proper.

DON'T SEND YOUR SALES LETTERS TO THE GRAVE YARD

MANY a man spends time and money in preparing an effective Sales Letter or Booklet, only to nullify the whole effort by mailing it to a list of defunct firms, wrong addresses and other "has beens."

"What is worth doing at all is worth doing well" clear through to the finish and this applies particularly to those cases where wasted postage, stock, printing bills and effort run so easily into money.

Our business is designed to save you a large percentage of this waste and if you will communicate with our Boston Office we will be much pleased to quote you a price on revising your old List or on an entirely new one.

May be we can also give you some suggestions on preparing copy that will be of value to you.
