

RESOLUTION OF THE CITY COUNCIL

No. 430

Approved July 18, 1994

WHEREAS, New England Power Company, the parent company of Narragansett Electric Company, is conducting an extensive refurbishment of the Manchester Street Power Station; and

WHEREAS, in the course of that renovation, New England Power Company has determined that the South Street Station is no longer suitable for its needs; and

WHEREAS, both the Manchester Street and South Street Stations are serviced by a cool-water channel which extends from the former to the Providence Hurricane Barrier; and

WHEREAS, the section of the cool-water channel from the Manchester Street Station to the Providence Hurricane Barrier is no longer needed; and

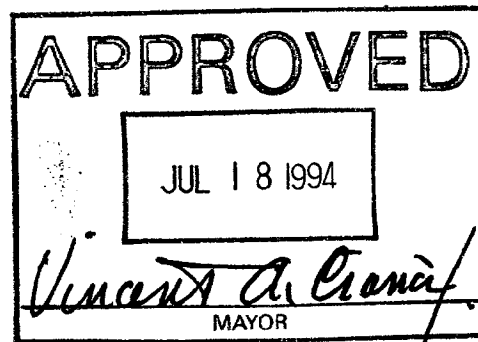

WHEREAS, the proposed demolition of the same requires approval by the Rhode Island Department of Environmental Management and other governmental agencies; and

WHEREAS, in order to facilitate the demolition process, said application had to have been filed in an expeditious manner,

NOW, THEREFORE, BE IT RESOLVED,

That the application on behalf of the New England Power Company and the City of Providence executed, inter alia, by B. James Suzman, Director of the Department of Public Works, is hereby ratified and affirmed.
