**PETITION TO MAKE DANA STREET ONE WAY FROM IVY
STREET TO THE INTERSECTION OF ROCHAMBEAU, CAMP
AND DANA STREET**

We, the undersigned, petition that Dana Street be made one-way west from Ivy Street to the intersection of Dana Street, Camp Street, and Rochambeau Avenue. The reason being that this once quiet, residential street is being used as a short cut to Hope Street and abused as a high-speed thoroughfare. Also, a one-way street would greatly reduce traffic and the risk of an injury or fatality. More than once a child has almost been hit by a car and several animals have been killed by unnecessary traffic.

Dear Chairman Petrosinelli:

I am writing to you in regards to a Resolution that I had introduced in reference to making Dana Street a One-Way. As Chairman, I would like to ask you and members of the Committee, to support this Resolution. It is very important that this Resolution is put on the docket at the next meeting.

It is my understanding that the Traffic Engineering Department has found it feasible in making Dana Street a One-Way. Therefore, I would appreciate your support along with all members of the committee. Thank you for your consideration, with regards,
I remain

Sincerely,

DONALD J. LOPES

RE: Pending Matters

The following requests from your Committee have been taken under advisement and we offer the following dispositions:

- (1) Courtland Street and Grove Street - installation of a four way stop control.

Disposition: Denied. This intersection does not meet the warrants for a four way stop control. Please see copy of previous memorandum concerning four-way stop controls.

- (2) Nelson Street - Nelson Street, between Smith Street and Eaton Street, to be closed during school dismissal and arrival hours.

Disposition: Granted. This department offers no objection to the closing of Nelson Street during school arrival and dismissal.

- (3) Gention Avenue and Isabella Avenue - installation of a four way stop control.

Disposition: Granted. A four-way stop control was installed on 8/26/88.

- (4) Gention Avenue and Wanskuck Avenue - installation of a four way stop control.

Disposition: Denied. This intersection does not meet the warrants for a four way stop control. Please see copy of previous memorandum concerning four-way stop controls.

- (5) Maynard Street and Rushmore Avenue - installation of a four-way stop control.

Disposition: Denied. This intersection does not meet the warrants for a four way stop control. Please see copy of previous memorandum concerning four way Stop controls. The intersection of Maynard Street and Sission Street has been changed to a four-way STOP control.

- (6) Courtland Street and Ring Street - installation of a four-way Stop control.

Disposition: Denied. This intersection does not meet the warrants for a four-way stop control. Please see copy of previous memorandum concerning four way stop controls.

- (7) Congress Avenue and Melrose Street - installation of a four way stop control.

Disposition: Intersection is presently under study and the results will be presented at the next scheduled meeting of the Public Works Committee.

- (8) Ivy Street, Dana Street and Rochambeau Avenue - installation of a three-way stop control.

Disposition: Denied. This intersection does not meet the warrants for a three way stop control. This intersection does not meet the warrants for an all-way stop control. Please see copy of previous memorandum concerning four-way stop controls.

- (9) Williams Street and Thayer Street - installation of a four-way stop control.

Disposition: Intersection is presently under study and the results will be presented at the next scheduled meeting of the Public Works Committee.

- (10) Dana Street, between Ivy Street and Camp Street, establishment of a one way street in a westerly direction.

Disposition: This department offers no objection to making Dana Street one way.

- (11) Junction Street, between Bridgham Street and Arch Street, establishment of a one way street.

Disposition; This department offers no objection to making Junction Street one way.
