Re: Supplementary Appropriation

Dear Mr. Baron:

I am requesting a supplementary appropriation for my Public Relief Cash Payroll Account (Object Code#232) of eight-hundred thousand dollars (\$800,000.00). This is necessary due to the increased caseload in General Public Assistance for the City of Providence during the past year.

Without this appropriation, we would run out of money by approximately the middle of May until the end of June.

As you are aware, this supplementary appropriation would not cost the city any money since it would be reimbursed one-hundred percent by the state.

Your earliest consideration of this request would be appreciated.

If you need any additional information or assistance, please do not hesitate to contact me.

Sincerely,

Walter J. Savage
