Miss Rose Mendonca  
City Clerk  
City Hall  
Providence, Rhode Island

Dear Miss Mendonca:

I am enclosing a resolution for submission to the City Council which will authorize the Office of Economic Development to re-apply for federal funds for economic planning and program development.

The application for funds will be made to the Economic Development Administration which provides 302(a) Economic Planning grants to assist local governments with the preparation of economic development strategies and programs. The City has participated in this program for three years and an improved understanding of the local economy and economic problems and opportunities peculiar to Providence has been reached: in addition, having this economic planning capacity has been of tremendous assistance to this and other city departments for our revitalization efforts.

I would appreciate the expeditious presentation of this resolution to the City Council for approval.

Thank you very much.

Sincerely,
