RESOLUTION OF THE CITY COUNCIL

No. 70

Approved January 22, 1966

WHEREAS, It has been publicly reported that the Rhode Island Indians Professional Football Team has abandoned its operation, as a member of the Continental Football League, and

WHEREAS, There are many sportsminded football fans in this area who are of the opinion that notwithstanding the reported unprofitable experience encountered by the corporate officers of the Indians, professional football here still has a following and should not be abandoned.

NOW THEREFORE BE IT RESOLVED, That in order to advance this theory that Providence will support minor league professional football a Special Committee of the City Council be appointed, its membership of five to be named by the President thereof; its purpose to encourage the establishment of a minor league professional football team which would have its home gridiron in the City of Providence.
