My dear Mr. Williams:

I'm writing this note to accompany a copy  
of a letter I have mailed today to the director  
of Public Works for the city of Parrish. What  
this is the best way to be assured that I  
have notified (again) the city of the  
problem that exists with the sidewalk in front  
of my home at 137 Home Ave.

Dear Sir,

Because I am not having any success getting in touch with someone able to solve my problem, I'm writing to you. I have tried for nearly two years to get the sidewalk in front of my home repaired. The problem appears to be a hollow sidewalk, with accompanying cracks etc. I am afraid the sidewalk will eventually cave in and someone will be injured. Someone from the Pub. Works Dept. was here to view the sidewalk and acknowledged the city's responsibility to repair it. At that time there was a logical reason for not repairing it. I think that reason has now been resolved. I hope you will give this matter your earliest attention and I thank you in advance for your consideration before this becomes a greater problem than at the present time.

Sincerely

William B. Carnello (Mrs. J. R. Carnello)
