Council President Michael A. Solomon
City Council Office
25 Dorrance Street
Providence, RI 02903

Dear Mr. President:

Due to extensive responsibilities with other standing committee duties and functions of my office, I am hereby resigning my current position from the Special Committee on Education. While I recognize the importance of the issues that the committee is reviewing regularly, I believe that another City Council member could also provide the needed assessment within the committee for matters that shall be transmitted to the full council.

I look forward to having another member included in the important discussion and review within the committee.

Thank you for your attention to this matter.

Very truly yours,

Terrence M. Hassett
