Needless to say, that not only does Dave Crombie know my neighborhood very well, he has many, many friends in my neighborhood. He has also been known to call me up and asked me for help in finding someone an apartment because of the lead poisoning possibly harming the children there. He is always trying to help individuals and he has been very helpful to many people. Unlike other reporters, he knows the Elmwood Neighborhood, and I truly will miss Dave and I wish him very well."

good Schools, and good schools is certainly what we need. Another issue that I would like to bring up, and it certainly is apparent in my neighborhood, is the Painting of the crosswalks and I would hope that the Finance Director would give the Traffic Engineer and the Public Works Department enough funds for crosswalks throughout all neighborhoods, schools, churches, etc, and have them all Re-Painted.

Crosswalks are extremely important, especially to the Jaywalker."
