Referral No. 2022 - Abandonment of Tallman Street

A communication from the Committee on Public Works dated December 7, 1979 proposed the abandonment of Tallman Street from Chestnut Street to Richmond Street. This petition was submitted by Frederick C. Kilguss who owns Lot 120, the Excell Manufacturing Company at the corner of Tallman and Chestnut Streets.

A field inspection revealed that Tallman Street is an improved 15 feet to 20 feet wide public right-of-way. The major use of the street is to serve as a driveway for the adjoining industrial properties at both sides of the street. Other than that it has very little value as a public thoroughfare. Therefore if all the adjoining owners agree to the street abandonment, the Department of Planning and Urban Development recommends that the Commission advise the Committee on Public Works that no objections is offered on his petition.
