PRESENTATION OF RESOLUTIONS

COUNCIL PRESIDENT PETROSINELLI, COUNCILMAN ALLEN, COUNCILMAN CLARKIN, COUNCILMAN DeLUCA, COUNCILWOMAN DIRUZZO, COUNCILWOMAN FARGNOLI, COUNCILMAN GLAVIN, COUNCILMAN IGLIOZZI, COUNCILMAN JACKSON, COUNCILMAN LOMBARDI COUNCILMAN MANCINI, COUNCILWOMAN NOLAN, COUNCILMAN ROLLINS, COUNCILWOMAN WILLIAMS and COUNCILWOMAN YOUNG:

Resolution Extending the sincere best wishes of the Members of the City Council to Lieutenant John McKenna, a Providence Firefighter who was injured in the line of duty when helping fellow firefighters and became trapped in an inferno.

Whereas, On January 29, 1996, at about 11:30 o'clock P.M. the Providence Fire Department was summoned to a house fire at 79 Detroit Avenue, and

Whereas, Upon arriving at the scene the firefighters noticed smoke and flames coming from the basement of a three story house which overlooks Route 95, and

Whereas, Lieutenant John E. McKenna a seventeen year veteran firefighter, and a member of Engine Company 10 directed his men to the rear of the building to fight the fire in the basement, and

Whereas, When entering the building a portion of the stairs leading to the basement suddenly collapsed sending members of Engine Company 10 into the basement, and

Whereas, Lieutenant McKenna through his quick thinking and reaction hoisted the men through a hole to safety but was unable to escape

himself, because his feet apparently got tangled in a hose, and

Whereas, His fellow firefighters noticing that Lieutenant McKenna was having trouble getting out himself began their rescue attempts to save him. After several failed efforts to reach McKenna through the hole, firefighters finally freed him by tying ropes around their waists wriggling through a basement window and carrying him out the way they went in, and

Whereas, Lieutenant McKenna suffered burns to his face, ears and neck, and his lungs were severely damaged from smoke inhalation. He was listed in satisfactory condition, and

Whereas, Those firefighters who rescued McKenna were also injured and they should be commended along with McKenna for putting their lives on the line for their fellow firefighter.

Now, therefore, be it Resolved, That the Members of the Providence City Council do hereby congratulate Lieutenant John E. McKenna for his heroic efforts in the line of duty with disregard for his own life. The City Council would also like to recognize Captain William Charella, Inspector Roger Laurendeau, Firefighters Alan Sousa, Michael Krasnowtecki, William Wass, Peter Cugini and Paul Rossiter for rescuing McKenna when he became trapped in the burning basement and wishing all the firefighters God speed and full recovery from their injuries.

Whereas, The purpose of said commission is to track and monitor that Section 1210 of the Home Rule Charter which states Residence requirement; exemptions; and,

COUNCILWOMAN FARGNOLI:

Resolution Creating a Commission to Restructure Providence Finances and repeal Resolution No. 717, approved December 28, 1995.

Whereas, The City of Providence faces a persistent structural deficit because the cost of government is rising much more rapidly than revenues;

Whereas, The property tax burden in the City of Providence, especially the tax on business property, is among the highest in the state;

Whereas, The value of taxable property has declined significantly during the 1990s while the value of tax-exempt property has increased significantly;

Whereas, Continued immigration is causing our school costs to rise at a rate far beyond what our local revenues can support, and state aid is insufficient to overcome the gap in school funding;

Whereas, There is an ever-growing need for additional State aid to support City government,

but the prospect of such aid is uncertain because of the recessionary conditions that exist in Rhode Island;

Whereas, The bond rating of the City of Providence has been lowered in recent months because of these financial constraints;

Whereas, The major interests of the City and State must unite in order to fashion bold, innovative and lasting solutions to the fundamental problems enumerated herein;

Whereas, Rule 27 of the Rules of the City Council provides for the creation of a Study Commission;

Now, therefore, be it Resolved, That Resolution No. 717 dated December 28, 1995 is hereby repealed;

Be it further Resolved, That the Commission to Restructure Providence City Finances is hereby created; the Commission shall consist of Nine (9) members: Two (2) members of the City Council appointed by the President of the City Council; One (1) appointee of the Mayor; One (1) State Representative appointed by the Providence Delegation; One (1) State Senator appointed by the Providence Delegation; the Chairman of the Providence Plan; the Executive Director of the R.I. Public Expenditure Council; One (1) Citizen of the General Public appointed by the Council President; and a Chairman, who shall be appointed by the Council President. The chairman of the Finance Committee shall be a nonvoting member of the Commission.

The Staff of the Commission shall consist of the Finance Director of the City; the Internal Auditor of the City Council; the Director of Business Operations of the School Department; the City Assessor; the executive director of The Providence Plan; loaned staff from the R.I. Public Expenditure Council; and such other individuals from within or without the City government as the Chairman may appoint. Should the Commission seek to expend City monies for purposes

related to its mission, the Commission shall present such requests to the City Council.

The Commission shall make detailed written proposals to the Mayor and the City Council to address the following questions, among others:

- * How can the City government increase revenues, restrain expenditures, and fulfill its service obligations as the principal city in Southeastern New England?

- * Does the existing system of City and State funding for public education meet the needs of students, parents and taxpayers, or should the funding system be amended or replaced?

- * Should any existing City services be reduced, eliminated, transferred to another level of government, or privatized?

- * Is the existing property tax adequate to meet the needs of our City, or should this tax be supplemented or replaced with other sources of revenue?

- * What is the proper role of the tax-exempt institutions of our City in promoting the financial stability and service capability of the City government?

- * Considering the pending revaluation of City property, how can the tax burdens of the City be distributed among different classes of property in order to promote home ownership and the expansion of taxable businesses in our City?

The Commission shall present its findings and recommendations in periodic reports to the Mayor and the City Council, with the first interim report due no later than one year from the passage of this resolution. The Commission shall remain in existence, and provide guidance and assistance at least until the completion of the property revaluation in 1998 or thereafter.

PERSONAL EXPRESSION

COUNCILWOMAN NOLAN at this time requests to speak on a point of personal privilege and states:

"Every evening this past week I have been afraid to go home into my neighborhood because lately, every night there has been some type of activity and I have been hearing the same from the people of Elmwood. Just to mention a few tragedies, the fire at 79 Detroit Avenue, where Lieutenant McKenna helped other firefighters out of the basement and was critically injured himself; the two Castro children 1 and 3 years old who died in a fire, Joel Olivera who lost his

life after hitching a ride on a snow plow. I have people in my area listening to scanners and then phoning me.

I pray for Lieutenant McKenna and his family and for the Castro Children and the Public Works Driver who has been devastated by this accident, who I understand has a child the same age at home. You can never replace a child.

We need to let these people know that we care and we will support them."
