Dear Mr. Glavin:

I understand through numerous telephone conversations with Traffic Control, City Maintenance, and the Police Department that you are the man to contact with regard to the closing of a street.

I am a Student Board member at Rhode Island School of Design. On May sixth we are hoping to hold a school fair on Benefit Street between College Street and Waterman Street. We would like to close the section of Benefit Street between the hours of 9am and 6pm.

Could you please advise us of the necessary procedure for this funtion. Thank you.

Sincerely Yours,

Michael Hope
