The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

RE: Resolution No. 415  
August 6, 1976

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause a STOP sign to be installed along Herschel Street at its' intersection with Bel Air Drive.

Disposition: A traffic survey conducted by this department showed that there are no traffic warrants for the installation of any control at this intersection. The accident history is excellent and there are no conflict points in the turning movements at this intersection.

Very truly yours,

A handwritten signature in cursive script that reads "Frank A. Tibaldi".

Frank A. Tibaldi  
Traffic Engineer
