RE: Request for Extension

Dear Councilwoman Fagnoli:

I am sending this correspondence to humbly request that the City Council consider a hearing on the Residency Requirement for my employment with the City of Providence and that said requirement be extended for six (6) months.

My employ with the City began on May 20, 1996, contingent upon my relocating from Boston, Massachusetts to Providence, Rhode Island. Though this condition was clearly articulated by his honor, Mayor Vincent A. Cianci, Jr., and the Administrator Director, Mr. Frank Corrente (prior to my accepting the employ) I find myself in the unenviable position of owning multiple residences in the cities of Boston, MA. and Pawtucket, RI. Both residences have been listed/advertised for sale since June, 1996. Additionally, this relocation has caused numerous difficulties in my personal life and I will spare this honorable body, with the details.

The aforementioned property in Boston was recently sold and I hereby request an extension of six (6) months in order to find a new residence within the City of Providence.

Thank you for your understanding and I shall make myself available at your convenience to meet with this honorable body to answer any questions that you may have, regarding this matter.

Very truly yours,
