The Honorable City Council
City Hall
Providence, Rhode Island

Gentlemen:

We have received your request for consideration of traffic control signs at the intersection of Canonchet Street and Waller Street.

We have recently completed an investigation of this location as a result of a Citizen's Request. In view of the very low traffic volumes and good accident record at this intersection we do not recommend the installation of traffic control signs at this time.

Very truly yours,

Roger T. Chandler
Traffic Engineer
