Acknowledged Sister McMichael by phone on more than one occasion (6-7-95-7-13-95 & 7-14-95) and suggested that she contact her Councilperson.

Rhode Island Hospital was allowed by the city to have the air rights (walkway from one building to another) result; Wards 10 & 11 receive X amount of dollars yearly, for improvements in their neighborhoods..

Unfortunately, D.P.W. does not have funding for first time sidewalk installation and also this area entails several hundred feet of repair.
