SUBJECT: Petition for Vesta Street

Sir:

I have reviewed the City Council request regarding the abandonment of Vesta Street , which is off of Fillmore Street. The street is a limited access area, and the surrounding properties are all owned by the Providence Redevelopment Agency. They are requesting the abandonment of this property so that they can combine lots to develop. I do not feel that any other property owners are affected, and therefore I see no objection to this request.

Subject: Petition for Street Abandonment
Vesta Street (P/O)
Providence, R.I.

Dear Ms. Poirier:

We have received a copy of a petition to the City Council for the abandonment of a portion of Vesta Street to review as to the potential impact on the Providence Water Supply Board (PWSB) system. Our records indicate that this portion of Vesta Street has in place a PWSB 6" water main. PWSB has determined that a portion of the main would be located in the proposed abandonment area and therefore must be removed.

PWSB has no objection to the abandonment under the following conditions.

- A. Petitioner agrees to have the property line surveyed and staked in the area of the water main to determine the point at which point the main needs to be abandoned.
- B. Petitioner agrees to pay PWSB to have its forces cut and cap the main at the property line and install a blow off.

If you have any question do not hesitate to contact Peter McLaughlin at (401)521-6300 EXT 7244.

Respectfully,

ATTENTION: Mr. Michael R. Clement, City Clerk

Dear Councilman Clarkin:

The City Plan Commission at its regular meeting on October 21, 1997, reviewed and evaluated the request from the Committee on Public Works to abandon a portion of Vesta Street beginning at Lots 121 and 130 and terminating at the dead-end portion of the road.

The petitioner and owner is the Providence Redevelopment Agency of Lots 115, 116, 119, 121, 130 and 137 on Assessor's Plat 68. The abandonment would allow the Providence Redevelopment Agency to consolidate the parcels for the acquisition to a local non-profit.

A field inspection revealed that aforesaid parcels of land are vacant and overgrown with large trees and dense brush. Only the front portion of Vesta Street from intersection with Fillmore street to aforesaid lots is a paved public right-of-way, the rest is a paper street. The subject street is of no use to the rest of the city for traffic purposes.

The Commission has reviewed and evaluated the request for consistency with the City's Comprehensive Plan. The Commission finds that portion of right-of-way has ceased to be useful to the general public and the proposed abandonment is consistent with *Providence 2000: The Comprehensive Plan*.

Therefore, the City Plan Commission voted to recommend that the City Council approve the abandonment of that portion of Vesta Street.

TO THE HONORABLE CITY COUNCIL OF THE CITY OF PROVIDENCE:

The undersigned respectfully petition your honorable body

September 15, 1997

To the Honorable City Council:

The Providence Redevelopment Agency hereby petitions the Providence City Council to consider the abandonment of Vesta Street beginning at lots 121 and 130 and terminating at the dead-end portion of the road.

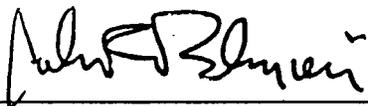

The proposed abandonment fronts on lots 115, 116, 119, 121, 130 and 137, on Assessors' Plat 68 which are owned by the Providence Redevelopment Agency. The abandonment will allow the Providence Redevelopment Agency to consolidate the parcels into one parcel. (See attached map)

This property has already been examined by the Department of Planning and Development and has been found to be of no use to the city for traffic purposes.

Since this property has no value to any other parties, or present abutters other than the Providence Redevelopment Agency, this petition to abandon Vesta Street is a prudent and responsible action for the Council to take.

We respectfully, thank the City Council for consideration in this matter.
