The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

RE: Resolution No. 827  
Dated - 11/13/76

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of a "STOP" sign along Harris Avenue at its' intersection with Kinsley Avenue, in place of the existing "YIELD" sign.

Disposition: The existing "YIELD" was just recently installed at this location. We will hold this request and see what happens at this location with the existing control. If a new survey shows that the accident rate is the same or the traffic greatly increases, we will consider making a change to a "STOP" control.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".  
Frank A. Tibaldi  
Traffic Engineer
