RESOLUTION OF THE CITY COUNCIL

No. **344**

Approved July 11, 1966

WHEREAS, the Water Supply Board of the City of Providence has undertaken the expansion of its present facilities of supplying the important commodity of water to the extent that the present capacity will be doubled, when this ambitious project is completed, and

WHEREAS, the economic assistance of several millions of dollars rendered by the Federal Government contributed greatly to the initiation of the project.

NOW THEREFORE BE IT RESOLVED, That for and on behalf of the citizens of Providence and other subscribers to the water service of the Water Supply Board of the City of Providence this City Council expresses its most sincere appreciation and congratulations to His Honor Mayor Joseph A. Doorley, Jr., to Congressman John E. Fogarty and to Director of the Economic Development Administration Eugene P. Foley for their efforts, in concert, which culminated in the federal grant of several millions of dollars to be employed in the construction of this important link of the transmission of water from the source at Scituate Reservoir, and which will eliminate the necessity of borrowing the total amount of fund required to finance this project, thus creating a substantial saving in bonded indebtedness and service charge.
