PROVIDENCE CITY PLAN COMMISSION

"Planning the Future of Providence"

November 18, 1999

Councilwoman Balbina Young, Chair
Committee on Urban Renewal, Redevelopment and Planning
City Hall
Providence, Rhode Island 02903

Attention: Michael R. Clement, City Clerk

CPC Referral No. 3161. An amendment to the Official Redevelopment Plan for the Special Vacant Lot Project, as amended. For the additional acquisition of Lot 33 on Assessor's Plat 45 at 3 Harvard Avenue.

Dear Councilwoman Young:

The City Plan Commission at its November 16, 1999 regular meeting considered the proposal by the Providence Redevelopment Agency (PRA) to amend the Special Vacant Lot Project for the acquisition of 3 Harvard Avenue, located on Plat 45 Lot 33. The PRA has submitted an Ordinance to the City Council so they might acquire (through purchase or condemnation), if necessary, the property which is located in the Upper South Providence neighborhood for further development of the Blackstone on the Southside Project.

Rhode Island General Law 45-22.2-13 requires that all land use decisions shall be in conformance with the city's comprehensive plan. The Commission found the request to be in conformance with the provisions of *Providence 2000: The Comprehensive Plan*. The Commission would advise the Committee on Ordinances that no objection is offered to the proposed amendment to the Official Redevelopment Plan for the Special Vacant Lot Project.
