 Providence, Rhode Island

Dear Mayor Doorley:

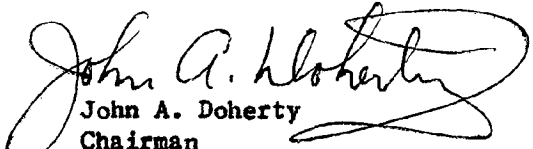

We are pleased to advise you that, at a meeting of the Water Supply Board held on August 18th, John E. Rogers has been appointed Chief Engineer to take effect immediately on the retirement of Joseph E. Martin in September 1972.

Presently they are working together to effect an orderly transition in that position.

Also be advised that the Board has appointed James P. Ryan as Deputy Chief Engineer.

Both men are long service, dedicated employees of this Board and maintain active certificate membership as registered Professional Engineers.

Respectfully Submitted,

 John A. Doherty
 Chairman
