 - 45-36-4 Governor To Administer Program
-

Sec. 45-36-1 DECLARATION OF POLICY. It is found and

declared that there exist in the communities of the state substandard, insanitary, deteriorated, deteriorating or blighted areas, that the existence thereof is impairing and arresting the sound growth and development of such communities and is inimical to the public health, safety, morals and welfare of the inhabitants of the state, that such communities are unable to rehabilitate such areas without state financial assistance as provided by sections 45-34-1 to 45-34-4 inclusive, that the granting of such assistance is a public use and purpose for which public moneys may be expended and that the necessity in the public interest for the provisions of said sections is hereby declared as a matter of legislative determination.

Sec. 45-36-2 GRANTS-IN-AID FOR REDEVELOPMENT. The state,

acting by the _____ Governor _____ may enter into a contract with a redevelopment agency of the community for state financial assistance for a redevelopment project under this chapter, in any redevelopment area in such community, as defined in this chapter; provided such project shall have been approved, and a contract for loan and grant has been entered into with the Federal Government under Title I of the Federal Housing Act of 1949, as amended. Financial

assistance may be provided by the state in the form of a state grant-in-aid equal to one-half of the excess of the cost of the project as determined by the Governor _____ over the federal grant-in-aid thereof.

The aggregate amount of state grants-in-aid for redevelopment projects in accordance with the provisions of this Section shall not exceed ten million dollars. No contract for state cash grants-in-aid for a redevelopment project shall exceed one million dollars, and no community shall receive more than fifty (50%) per cent of the moneys authorized under this Act, or any amendment thereto.

Such grants-in-aid may include as part of the state's assistance the demolition of real property, services, the provision of facilities or other forms of assistance as are defined as eligible project non-cash grants-in-aid by the Housing Act of 1949, as amended, and by the rules and regulations as set forth by the duly authorized agency of the Federal Government; provided, that such non-cash grants-in-aid shall not be construed to be part of the ten million dollars authorized hereinbefore, nor shall any non-cash grants-in-aid be computed in the formula for state

cash grants-in-aid or restrict a community in its eligibility to receive up to a maximum of fifty (50%) per cent of the money authorized under this act as set forth hereinbefore.

Sec. 45-36-3 BOND ISSUE. To provide funds to meet state grants-in-aid under assistance agreements entered into under Section 45-34-2, the treasurer is directed to issue bonds of the state to an amount not exceeding ten million dollars. The bonds shall be issued at such times and in such amounts as shall be determined by said _____ Governor _____. The full faith and credit of the state of Rhode Island is pledged for the payment of the principal of and the interest on said bonds and notes. Net earnings on investments of proceeds, accrued interest and premiums on the issuance of such bonds shall be used first by the treasurer for the payment of expenses incurred in connection with their issuance.

Sec. 45-36-4 _____ GOVERNOR _____ TO ADMINISTER
PROGRAM. The _____ Governor _____ is authorized to make and enforce reasonable regulations to effectuate the purposes of Sections 45-34-1 to 45-34-3 inclusive. The
