November 14, 1977

WHEREAS, it has been reported in the local press that the Mayor and the Accounting Firm of Peat, Marwick, Mitchell and Co., are considering to implement the accounting practices of the financial accounting system of the City of Providence from a modified cash basis to an accrual system whereby anticipated revenue will be considered actual cash on hand, and

NOW, THEREFORE, BE IT, that this said City Council of the City of Providence hereby communicates its strongest objection and recommendation to the Mayor and the Acting Finance Director that the present accounting system being utilized by the City of Providence be continued in that no changes be implemented in the best interest of the Citizens of the City of Providence.
