STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

January Session, A.D. 1972

---

AN ACT

IN AMENDMENT OF AND IN ADDITION TO CHAPTER 489 OF THE PUBLIC LAWS OF 1923 ENTITLED "AN ACT TO PROVIDE FOR THE RETIREMENT OF THE EMPLOYEES OF THE CITY OF PROVIDENCE", AS AMENDED.

It is enacted by the General Assembly as follows:

SECTION 1. Subdivision (1) of Section 13 of said Chapter 489, as amended, is hereby further amended to read as follows:

(1) Persons who have served as Mayor, or City Councilmen, for at least ten full legislative years since January 1, 1941, or as Mayor, or City Councilmen, for at least eight full legislative years since January 1, 1961, hereinafter collectively referred to as elective officers, and who have reached the age of 55, or have served twenty consecutive years as an elective officer of said City of Providence prior to reaching such age, or have become totally and permanently disabled prior to reaching such age, whether or not such persons are now serving as elective officers or are serving as such at the time of attaining said age or becoming so disabled, shall be entitled to a retirement allowance as provided in this section.

SECTION 2. Subdivision (2) of Section 13 of said Chapter 489, as amended, is hereby further amended to read as follows:

(2) Said retirement allowance shall be computed at the rate of One Hundred (\$100) Dollars per annum for each full year of service as an elective officer of said City of Providence from January 1, 1941 to September 30, 1968; and at the rate of One Hundred Fifty(\$150) Dollars per annum for a full year of service as an elective officer of said City of Providence from October 1, 1968 to September 30, 1969, and at the rate of Two Hundred (\$200) Dollars per annum for each full year of service as an elective officer of said City of Providence from October 1, 1969 to September 30, 1971 and at the rate of Three Hundred (\$300) Dollars per

annum for each full year of service as an elective officer of said City of Providence from September 30, 1971, and since any withdrawal of his contributions as provided in subdivision (6) of this section; provided, however, that the total number of full years of service for which an allowance shall be paid shall not exceed twenty-five years, except as provided in the last sentence of subdivision (6) of this section. Said retirement allowance shall include credit for each year or portion of any year served by said elected official on active duty with the United States Armed Forces which said credit shall be computed at the rate of Three Hundred (\$300) Dollars per annum for each full year or portion thereof of said military service provided however that said credit for military service shall only apply to those elected officials presently in office or who may be hereafter elected to office.

Any elective officer in office on May 15, 1972 may by written notice filed with the Retirement Board of the City of Providence prior to October 1, 1972 elect to pay to the Annuity Savings Fund in such a manner as shall be prescribed by said Board, an additional amount of One Hundred (\$100) Dollars per year for each full year of service as an elective officer of said City of Providence from January 1, 1941 to September 30, 1972.

Upon such payment, anything to the contrary notwithstanding, such amount shall become part of his accumulated contribution and the period of service on account of which such payment was made shall be included in his retirement allowance at the rate of three hundred (\$300) dollars per year; provided, however, that the total number of full years of service for which an allowance shall be paid shall not exceed twenty-five years, except as provided in the last sentence of subdivision (6) of this section.

SECTION 3. Subdivision (6) of Section 13 of said Chapter 489, as amended, is hereby further amended to read as follows:

(6) Each elective officer of said City who is in office on

October 1, 1972 or who subsequent thereto becomes an elective officer, shall contribute Three Hundred (\$300) Dollars per annum of his compensation toward the cost of the benefits provided hereunder. Such contributions with accumulated interest may be withdrawn at any time prior to the commencement of payments hereunder, provided that upon such withdrawal all rights accrued under this section with respect to any service rendered prior to the date of such withdrawal shall terminate. Should a former elective officer elect not to withdraw such contributions with interest as above provided, no interest shall be credited to his contributions after four years shall have elapsed since he ceased to be an elective officer. Required contributions hereunder from elective officers shall cease after twenty-five years of service, and any contributions heretofore deducted for service in excess of twenty-five years prior to October 1, 1970 shall at the option of the elective officer concerned be refunded or applied toward the purchase of retirement benefits under the provisions hereof in excess of twenty-five years, anything herein to the contrary notwithstanding.

SECTION 4. This act shall take effect upon its passage.

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 129

Approved March 20, 1972

RESOLVED, That the Department of Recreation is requested to re-design the existing Backstop at the Little League Baseball Diamond, located on Dexter Training Ground, by raising the height of said Backstop and extending its canopy to prevent baseballs from being hit or thrown across Parade Street and causing damage to property in that vicinity.

March 3, 1972

The Honorable City Council  
City Hall  
Providence, Rhode Island

Att: Committee on Public Welfare

Gentlemen:

In response to a Resolution for a crossing guard at the intersection of Prairie Avenue and Dudley Street, a survey was conducted that revealed that in the morning and afternoon, approximately twenty-four students cross at this point and four children cross during the noon hour. In addition, there is a crossing guard one block from this intersection at Prairie Avenue and Blackstone Street. The officer reported that the children do not all cross directly at the intersection in question and cross in the middle of the block.

The Police Department report does not recommend that a crossing guard post be established at this location and, in view of the facts, I concur with this recommendation.

Respectfully submitted,

*Harry Goldstein*  
Commissioner of Public Safety

# RESOLUTION OF THE CITY COUNCIL

No. 133

Approved March 20, 1972

WHEREAS, legislation enacted by many states in the United States of America allowing a cause of Civil Action for Invasion of Privacy is becoming extremely common, and

WHEREAS, the Supreme Court of the State of Rhode Island, sixty-three years ago, denied actions for invasion of privacy and left the matter for enactment by the General Assembly, and

WHEREAS, a recent ruling by Chief Judge Raymond J. Pettine, of the United States District Court for the District of Rhode Island, allowed a suit in Rhode Island based on a conflict of laws, and

WHEREAS, such legislative authority would be another step in implementing the effectiveness of the recently upheld Anti-Picketing Ordinance, so called,

NOW, THEREFORE, BE IT RESOLVED, That the City Solicitor is hereby requested to propound legislation for introduction into the 1972 Session of the General Assembly to allow a cause of Civil Action for Invasion of Privacy.
