Re: **Amendments – Resolution Authorizing Bond Expenditures**

A Resolution authorizing expenditures from the \$50 million bond issue has been approved by the Finance Committee and will be considered by the full City Council at its regular scheduled meeting on May 6, 1999.

Since the committee met, two council members have authorized additional projects out of their ward allocation. Because these resolutions are not introduced on a regular basis, it would be more expedient to amend the pending resolution on the floor to include these items instead of waiting for the introduction of the next Resolution.

Ward 1

1. Central/Classical Collaborative Project - \$10,000.00

Ward 2

1. Oakland Avenue/Parkway Project - \$ 5,000.00
2. Street Tree Removal & Planting \$50,000.00

Thank you.
