Dear Ms. Stetson:

I am writing in response to your letter dated March 22, 2006, regarding the petition to the City Council requesting that "1000 Providence Place" be changed to "903 Providence Place."

In your letter you state that there are no residential properties on this street, however our records and data systems designate 1000 Providence Place as an apartment building with approximately 300 apartments. Our systems can be adjusted to accommodate this number change but the present residents will all have to file a change of address with the U. S. Postal Service to reflect this number change.

It would be greatly appreciated if your office to let us know if this proposal is approved. Once again thank you for bringing your pending proposal to our attention and affording the U.S. Postal Service the opportunity to provide you with input.

Anna... the former mayor spoke with Councilman Hassett who has **agreed to sponsor a resolution** changing a Providence address. As you may know, Joe Paolino Jr and the Athena Group of New York City own the former Jefferson Apartment Complex on Kinsley Street.

The actual legal address of this complex-now known as the 903-is **1000 Providence Place**.

Paolino asked Hassett to sponsor the resolution to change the address to 903 Providence Place. He agreed.

Per Mary Ann Ferri of the Assessor's office, there are only 2 addresses on that street...ONE prov place which is the mall and 1000 which is the Jefferson/903.

what other info does your office require?

let me know or call me at 274-6611. thanks.

also now with the Councilman's sponsorship, is there a chance that it will make the noon deadline the next meeting.

You need to file a petition to the city council requesting the address change. It will then be referred to the Committee on Urrp. Once it has been referred, my office will contact the post office, police, etc to see if this is okay, and it would then need to go before committee for approval. Our docket deadline for the next council meeting will be this Thursday at noon. If I get it before then, I can put it on the next docket, if not, it will have to go on the meeting of April 6th.

You can download a petition form on the city's website. Providenceri.com, go to government/city clerk and download the petition. There is no fee. Please let us know if there are any residential properties in the area.
