COMMITTEE ON ENVIRONMENT AND PUBLIC WORKS

WASHINGTON, D.C. 20510

December 7, 1981

Ms. Rose Mendonca  
City Clerk  
City Hall  
Providence, Rhode Island

Dear Rose:

Thank you for forwarding me copies of the City Council Resolutions on S. 1018, the Coastal Barrier Resources Act and the Davis Bacon Act.

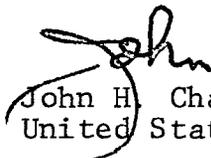

We have completed two hearings, one in Rhode Island and one in Washington D.C., on the barrier beach protection bill. I expect to hold one more hearing on the legislation and anticipate that the Environment and Public Works Committee will report the bill to the full Senate early next year.

With respect to the Davis-Bacon Act, I oppose efforts to repeal this important piece of labor legislation. Moreover, as long as this law remains on the books, it should be correctly enforced.

Thank you again for taking the time to forward these resolutions to me.

Warm regards,

Sincerely,

  
John H. Chafee  
United States Senator
