Dear Evelyn,

I am Anna Marccone's sister and I asked you for a favor at the Elmhurst Care. I would like a street light on the pole that is opposite my driveway. I live alone and on some occasion I come home in the dark. I do not think that this is a great problem, but this is one favor that I would appreciate,

I think you had told me that you would have to get in touch with Peter Mancini, but I have written twice and called him, but I did not get a response. I do not think he lives on Meridian St. I will call the Mayor's office if I have to do so.
The Pole # 57 on Erie St.

Sincerely,
Mrs. Carmela Tellecci
