Dear Mr. Lorenzo,

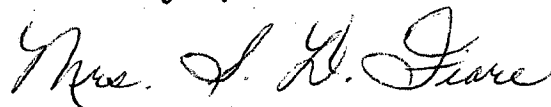

As you know the people in the vicinity of the Ridge Street Playground have been working for the past four months to get Improvements made and new equipment installed in the playground for our children.

We have been meeting with Mr. Al Conca of Public Property who has now informed us that his department has approved our requests and the next step is the city councils approval.

We urge you and Mr. DeVito to meet with Mr. Conca now to draft a resolution which will be satisfactory to all. Please keep us informed as to the date this will be in the Council Agenda.

We are confident that you as our councilmen, will see to it that the resolution is passed so that the children on Federal Hill will have a happy and safe summer.

Thank you,

Mrs. S. D. Fiore  
Ridge St. Playground Comm.
