A member agency of the Jewish
Federation of Rhode Island
and Hillel: The Foundation for
Jewish Campus Life

To Providence City Council Members,

Please find the attached request to close down city streets on October 24, 2002.

The Brown Hillel Foundation, serving as the campus Jewish community for more than 25% of all brown students, as well as other Jewish students from schools in the providence area, recently started construction on our new 25,000 square foot facility at the corner of Angell and Brown Streets.

We are holding a formal groundbreaking ceremony at noon that day for Brown University VIP's, national benefactors, members of the local Jewish community and Jewish students in the Providence area.

In addition to our request, we would also like to extend an invitation to all members of the council to attend this event. We will be hearing from Mark Feinstein, president of the Jewish Federation of Rhode Island among others, and will be providing a reception to follow. Please join us if your schedule permits.

Respectfully,

Rabbi Rich Kirschen
Executive Director

Request to close streets by the Brown Hillel Foundation for October 24th event.

The Groundbreaking Ceremony for the new Glenn & Darcy Weiner Center at Brown University will be held from 12:00 pm to 1:00 pm, on October 24. With setup and tear-down time, we are requesting that the streets indicated below be closed from 6:00 am to 3:30 pm on October 24.

The event will take place in front of the complex on Brown St. between Angell and Waterman Streets. We also request that Brown St. between Angell and Meeting Streets be closed so that we can provide parking for the 150-2500 community members attending the event from outside the Brown campus. The Foundation will provide attendants to oversee the parking process.
