City Council Member

City of Providence
Providence, Rhode Island 02903

Dear Mr. Clements:

At the meeting of the City Council on May 2, 1984 my brother, Mr. James Dolan attended as my representative. This was in regard to the abandonment of the property abutting my lot at Atwells and Bowdoin Sts.

I have been informed that a letter stating that the City Council will approve the abandonment providing that I erect a fence along the Bowdoin Street side. Since I have already provided access to the land from the Atwells Ave. side I am willing to provide a fence once the land has been transferred to me.

At present I have had a least one fence company visit the land and is sending me an estimate. Two other fence companies have been notified but as yet have not sent estimates for a chain link fence.

If any further action is necessary, please inform me.

I wish to thank you for your attention to this matter.

Sincerely yours,

Geraldine Dolan-Wholey
