Dear Ms. Fishman,

As we have learned, appointees to the Providence External Review Authority must reside in Providence. We had discussed your serving on the Authority temporarily even though your appointment was not going to be confirmed by City Council because you live in Jamestown. In order not to impede the momentum of PERA's progress, it has become necessary for me to withdraw your name from consideration and appoint a Providence resident to the Board as of today.

I am deeply sorry, on a personal level, that you won't be able to contribute to the future of PERA in an official capacity. I do hope, however, that you will continue to be a positive voice as a private citizen and as an advocate for social justice for the rights of all Rhode Islanders as you have been for so many years. Your commitment has always been an inspiration to me.

Thank you for all you have done to this point to make PERA a reality.

Sincerely,

Christine
