10 ~~42-28.2-1. Legislative declaration of intent.~~ The legislature hereby finds and declares  
11 that police work, a basic adjunct of law enforcement, is professional in nature, requiring proper

13 society, better law enforcement can be achieved through higher standards of efficiency in police  
14 work than in retributive measures against those who commit crime; that the protection of the  
15 health, safety, and welfare of our citizens, can best be met by the creation of an educational  
16 training and recruitment program for persons who seek careers as police officers in order that  
17 such persons while serving in a probationary capacity prior to permanent appointment will  
18 receive training at approved recruit and in-service training facilities; and that, by qualifying and  
19 becoming proficient in the field of law enforcement, those persons will individually and  
20 collectively better insure the health, safety, and welfare of the citizens of this state in their  
21 respective communities.

22 ~~42-28.2-2. School established.~~ There is hereby created and established a municipal

1 thereafter the governor shall appoint members to the commission to serve a term of three (3)

20 the control and supervision of the Rhode Island state police academy in Foster, Rhode Island, to  
21 the extent necessary to effectuate the purpose of this chapter; provided that control shall not  
22 interfere with the use of the academy to the state police. The commission may certify the training

34 SECTION 3. Title 42 of the General Laws entitled "State Affairs and Government" is

1 hereby amended by adding thereto the following chapter:

2 CHAPTER 28.2.1

3 LAW ENFORCEMENT STANDARDS AND TRAINING

4 42-28.2.1-1. Short title. -- This chapter shall be known and may be cited as the "Law  
5 Enforcement Standards and Training Act."

6 42-28.2.1-2. Definitions. -- As used in this chapter:

7 (1) "Law enforcement officer" means any person who is elected, appointed, or employed  
8 full-time by any municipality, or the state, or any political subdivision thereof; who is vested with  
9 the authority to bear arms and/or to make arrests; or who is primarily responsible for prevention  
10 or detection of crime and the enforcement of the criminal code, ordinances, traffic, or highway  
11 laws of this state or any political subdivision of the state. The phrase includes, but is not limited  
12 to, the airport police, capitol police, division of law enforcement of the department of  
13 environment, Rhode Island deputy marshals within the department of corrections, sheriffs of  
14 Rhode Island counties, campus police, the criminal investigation unit of the department of  
15 environment and the state fire marshal investigation unit and any other person included within the  
16 meaning of the term "peace officer" as defined by section 12-7-21(1) through (18).

17 (2) "Employing agency" means the state, or any of its political subdivisions, and includes  
18 police and security departments of private as well as public schools, colleges and universities  
19 chartered by the state of Rhode Island.

20 (3) "Diverse population" means members of cultural groups with common origins,  
21 customs, and styles of living. This definition includes ethnic, racial, and religious minorities.

22 (4) "IADLEST" means the International Association of Directors of Law Enforcement  
23 Standards and Training.

24 (5) "POST" means Peace Officers Standards and Training as defined by The President's  
25 Commission on Law Enforcement and the Administration of Justice (1967) and the National  
26 Advisory Commission on Criminal Justice Standards and Goals (1973).

27 (6) "Commission" means the commission on law enforcement standards and training  
28 established by this act.

29 42-28.2.1-3. Legislative findings and purpose. -- The general assembly recognizes and  
30 declares that law enforcement is professional in nature and requires proper educational, clinical  
31 and tactical training. The best methods for modern policing necessitate "peace officer standards  
32 and training" (POST) programs, or similar programs, that certify law enforcement officers and  
33 other persons employed in the criminal justice system meet minimum standards of qualification,  
34 competency and ethical behavior. It is the intent of the general assembly to strengthen and

1 upgrade law enforcement agencies in this state by attracting competent, highly qualified people  
2 for professional careers in criminal justice and to retain well-qualified and experienced officers  
3 for the purpose of providing maximum protection and safety to all persons.

4 The general assembly hereby finds that protection of the health, safety and welfare of our  
5 citizens can best be met by the creation of comprehensive recruit and in-service criminal justice  
6 training and educational programs for law enforcement officers administered at approved training  
7 facilities. Comprehensive criminal justice training and educational programs in this state for all  
8 persons having authority to make arrests for violations of law should meet or exceed model  
9 minimum state standards established by the International Association of Directors of Law  
10 Enforcement Standards and Training (IADLEST), or a similar model.

11 The mission and purpose of the commission on law enforcement standards and training  
12 shall be to establish, administer and enforce minimum law enforcement officer selection,  
13 recruitment, recruit training, in-service training, training instructor (including field training  
14 officers) and professional conduct standards for all law enforcement officers and agencies in this  
15 state. It is the intent of the general assembly that the commission, in the execution of its powers,  
16 duties, and functions, actively provide statewide leadership in the establishment, implementation,  
17 and evaluation of minimum standards and training for all law enforcement officers in this state.

18 Nothing herein however may be construed to preclude an employing agency from  
19 establishing qualifications and standards for employment, appointment, training, or promotion of  
20 officers that exceed the minimum requirements established by statute or the commission.  
21 Qualifications of an employing agency that exceed the minimum employment standards, basic  
22 recruit training course, or in-service training requirements established by the commission are  
23 binding on the individuals affected and shall be recognized by the commission.

24 **42-28.2.1-4. Commission created -- Composition.** -- There is hereby created within the  
25 executive branch, the commission on law enforcement standards and training, hereinafter called  
26 "the commission," which shall be under the jurisdiction of the governor. The commission shall be  
27 the sole and exclusive POST ("Peace Officer Standards and Training") organization for this state.

3 appointed to a term of three (3) years by the governor.

5 department are ex-officio members with full voting rights and privileges, and may send, in his or  
6 her place, a designated representative to a meeting and/or meetings. If the designation is made in  
7 writing, the representative shall have full voting privileges.

8 (3) The citizen member shall serve an initial term expiring January 31, 2004, the  
9 representative of the Rhode Island league of cities and towns shall serve an initial term expiring  
10 January 31, 2005, and the police chief appointed by the governor from the list submitted by the  
11 Rhode Island police chiefs' association shall serve an initial term expiring January 31, 2006, and  
12 until their respective successors shall be appointed and qualified in January, 2004, and in January  
13 annually thereafter the governor shall appoint members of the commission to serve a term of  
14 three (3) years commencing on the first day of February next following their respective  
15 appointment(s) and until their respective successors shall be appointed and qualified to succeed  
16 the person or persons whose term next expires.

17 (4) The representative of the Rhode Island league of cities and towns, police chief, and  
18 citizen members of the commission appointed by the governor shall serve at the pleasure of the  
19 governor and be eligible for reappointment. In the event a vacancy arises it must be filled within  
20 thirty (30) days for the remainder of the term in the manner of the original appointment or  
21 designation.

22 **42-28.2.1-5. Powers and duties of commission.** – The commission is hereby authorized

27 probationary and permanent law enforcement officers;

7       (8) consult and cooperate with counties, municipalities, agencies, or official bodies of this  
8       state or of other states, other governmental agencies, and with universities, colleges, junior

11       relating to law enforcement;

12       (9) accept any donations, contributions, funds, grants, or gifts from private individuals,

16       other materials to achieve the mission and purpose of this chapter;

17       (11) make such regulations as may be necessary for the administration of this chapter,  
18       including the issuance of orders directing public law enforcement agencies to comply with this  
19       chapter and all regulations promulgated thereunder;

20       (12) exercise all powers and perform all duties necessary and proper in carrying out this  
21       chapter.

22       42-28.2.1-6. Executive director. -- (a) The governor shall appoint the executive director  
23       from a list of three (3) candidates submitted by the commission. The executive director shall be  
24       qualified for the position by appropriate training and experience in the fields of administration,  
25       planning, or criminal law and justice. The unclassified pay plan board shall set the salary of the  
26       executive director and staff, consistent with any compensation and pay plan established by the  
27       state personnel office.

28       (b) The executive director shall:

29       (1) supervise and be responsible for the administration of standards and courses of  
30       training established by the commission;

10       (c) A certificate of qualification for appointment to permanent law enforcement officer  
11       status issued by the commission will expire three (3) years from the date of issuance or upon  
12       discontinuance of employment by the officer with the employing agency. The certificate of  
13       qualification for appointment to permanent law enforcement officer status issued by the  
14       commission that is current on July 1, 2003, will expire in the year 2006 on the last day of the  
15       month during which it was issued, or upon discontinuance of employment with the employing  
16       agency. Prior to the expiration of the certificate, the certificate may be renewed upon application  
17       on a form prescribed by the commission presented to the executive director and associate director  
18       for assessment and certification. The executive director and associate director must receive the  
19       application for renewal at least forty-five (45) days prior to the expiration of the certificate. If the

24       any other charge shall be assessed against any city or town for the recruit training of any  
25       candidate and the expense of that training shall be borne by the state of Rhode Island. The general

28       any recruit candidate during the period of his or her training shall be fixed and determined by the  
29       proper authority within the city or town sponsoring the candidate and such compensation, if any,  
30       shall be paid directly to the candidate by his or her employing agency.

1           (b) The commission may delegate responsibilities and functions to subcommittees, task  
2           forces, and advisory committees, as it deems appropriate.

3           (c) The commission shall promulgate and publish rules of procedure governing its  
4           operations, provided they are in accordance with the provisions of the administrative procedures  
5           act, chapter 35 of this title.

6           **42-28.2.1-20. Certification a prerequisite for law enforcement officers – Exceptions -**  
7           **- Qualification under equivalent programs in other states. -- (a) No law enforcement officer**

13           **qualified. On or before January 1, 2003, the commission shall issue to all law enforcement**  
14           **officers who have achieved permanent law enforcement status prior to January 1, 2003, a**

26           duties of a law enforcement officer involving the control or direction of members of the public, or  
27           exercising the power of arrest until he or she is certified. Should any such person fail to secure  
28           certification within one (1) year from the date of his or her employment, he or she may not

21 **education is job-related and consistent with the needs of the employing agency. The employing**  
22 **agency must maintain and submit, or electronically transmit, the documentation to the**  
23 **commission, in a format approved by the commission. The commission under the following**

27 **(2) In the event of the timely filing of an application for continuing training or education,**  
28 **which application, under the circumstances of time and physical applications, cannot be honored**  
29 **by the law enforcement training center or at other facilities approved by the commission; or**

30 **(3) It is determined by satisfactory documentary evidence that the training will result in**  
31 **undue hardship to the law enforcement officer or to the requesting agency, the requesting agency**  
32 **must propose an alternate training schedule for commission approval.**

33 **42-28.2.1-22. Committees and bylaws. -- (a) The commission may establish and the**  
34 **chairperson may appoint such subcommittees, task forces, or advisory committees it deems**

2 forces, and advisory committees are not restricted to the membership of the commission.

3 (b) The commission may delegate responsibilities and functions to subcommittees, task  
4 forces, and advisory committees, as it deems appropriate.

5 The commission shall promulgate rules of procedure governing its operations, provided  
6 they are in accordance with the provisions of the administrative procedures act, chapter 35 of this  
7 title.

11 **concerning the requirements or administration of this chapter or regulations promulgated under**  
12 **this chapter shall not be the subject of or basis for an action at law or in equity for slander or libel**  
13 **in any court of this state if the communication is between:**

17 **Injunctions -- Administrative and civil penalties -- Appeals. -- (a) Whenever the commission**  
18 **finds that any public law enforcement agency is in violation of any provisions established**  
19 **pursuant to this chapter, the commission may issue an order requiring the public law enforcement**  
20 **agency to comply with the provision. The commission may issue an administrative finding of**  
21 **noncompliance which shall render the public law enforcement agency ineligible to receive any**  
22 **discretionary funds awarded by the Rhode Island justice commission until such time as it is**  
23 **determined that the public law enforcement agency has achieved compliance. The commission**  
24 **may also bring a civil action for injunctive relief or civil enforcement action in the appropriate**  
25 **court. Violation of any court order issued pursuant to this section must be considered contempt of**  
26 **the issuing court and punishable as provided by law. The commission may also invoke the civil**  
27 **penalties as provided in subsection (b) for violation of the provisions of this chapter, including**  
28 **any order or regulation hereunder. Any public law enforcement agency against which a civil**  
29 **penalty is invoked by the commission may appeal to the superior court of the county where the**  
30 **public law enforcement agency is located. Where original jurisdiction lies in the superior court,**  
31 **an appeal may be taken as otherwise provided by law.**

32 (b) Any public law enforcement agency that fails to comply with this chapter and  
33 regulations promulgated pursuant to this chapter, or fails to comply with any order issued by the  
34 commission is liable for a civil penalty not to exceed three thousand dollars (\$3,000) per

1 violation. When the civil penalty authorized by this subsection is imposed upon a sheriff, the
