BE IT ORDAINED BY THE CITY OF PROVIDENCE:

SECTION 1. Every retired employee of the City of Providence who served the City for at least twenty-five (25) years, or is now or hereafter receiving a retirement allowance from a City retirement system after at least twenty-five (25) years membership in such system prior to retirement or who was retired by a City retirement system because of a disability incurred as the result of an accident while in the performance of duty, shall receive from the City an additional sum of money which, when added to all personal service income received by such retired employee from any source whatsoever, and to any retirement, pension or social security allowance, shall assure to such employee, the sum of Two Hundred (\$200) Dollars per month. SECTION 3. For the purposes of this Ordinance the retirement allowance paid to such employee under any pension plan of the City shall be deemed the maximum service retirement allowance to which such employee would have been entitled and not any elected optional retirement allowance.

SECTION 4. Each retired employee eligible for payments under the terms of this Ordinance shall file monthly with the City Controller on or before a designated date, an information return in such form and detail as the Controller may require. No monthly benefits shall be paid until receipt of such return.

SECTION 7. Chapter 778 of the City Ordinances of 1953 is hereby repealed.

SECTION 8. This Ordinance shall take effect upon passage.
