Members of the Police Department who are injured in the line of duty shall receive full salary while their incapacity exists, or until they are placed on disability retirement. All injuries and recurrences of injuries shall be reported as required by Department Regulations.

The City agrees that an employee will be considered as injured in the line of duty if such injury occurs at any time while such employee is actually performing police work for and on behalf of the City, even though said employee may not actually be on his regular tour of duty.

The City further agrees that once an employee reports for work, he is actually on duty and shall be covered under this section for any injuries sustained until his tour of duty is completed.

Section 2. MEDICAL CARE FOR INJURIES

Medical care for those injured in line of duty shall be as follows:-

A. Those employees covered by this Agreement injured in the line of duty whose condition requires hospitalization shall have the right to select their own hospital and their own physician. The choice shall be made by the injured person or if his condition prevents him from making his choice, by the officer in charge. The employee shall at all times have the right to change his

physician and to select a new physician. If the injured employee requires hospitalization and medical treatment outside the State of Rhode Island, he shall first secure the permission of the Chief of the Department for the same; which permission shall not unreasonably be withheld.

B. In other cases involving injuries in line of duty which do not require hospitalization, the injured individual shall have the right to be treated by a physician of his own choice.

C. When a member has suffered a minor injury in line of duty, which does not require the care of a physician, a report on the injury and treatment shall be made to the Chief of the Department in accordance with Regulations.

D. When a member has suffered an injury in the line of duty and subsequently claims a recurrence of that injury, he shall then be examined by the Police Department physician.

If the Police Department physician finds that the present condition is not related to the previous injury, the member shall then be entitled to be examined by the physician who attends him for the original injury. If the opinion of the member's private physician is in conflict with that of the Police Department physician as to whether or not the member's condition is a recurrence of a previous injury in line of duty, then a third physician mutually agreeable to the Police Department physician and the member's physician shall examine said member, and the opinion of the physician so selected shall be conclusive, on the parties. If it is finally determined that said injury is a recurrence of a previous injury in line of duty, the Police Department shall be responsible for payment of member's medical expenses.

Section 3. MEDICAL EXPENSES FOR INJURIES OR ILLNESS IN LINE OF DUTY

The City of Providence agrees to pay for all expenses as set forth in Section 45-19-1 of the General Laws of Rhode Island, 1956, as amended, and further agrees that the time lost by said employee as the result of any injury received or sickness contracted in the performance of said employee's duty shall not be deducted from said employee's sick leave provided for in Article IX.

Section 4. MEDICAL EXPENSES FOR EMPLOYEE'S FAMILY

Subject to the approval of the Chief of the Department, the City of Providence agrees to pay all expenses for inoculation or immunization shots for members of an employee's family residing in his household when such becomes necessary as a result of said employee's exposure to contagious diseases where said employee had been exposed to said disease in the line of duty.

Section 5. FUNERAL AND BURIAL EXPENSES

The City agrees to defray all funeral and burial expenses of any employee of the Police Department killed in the line of duty up to a maximum of One Thousand (\$1,000.00) Dollars.

Section 6. MEDICAL CARE FOR EMPLOYEES ON DISABILITY PENSION

The City recognizes that there is merit in the proposal of the Providence Lodge No. 3 that any employee covered by this Agreement who is placed on the accident or disability pension list for injuries or illnesses suffered or contracted in the line of duty be protected against medical expenses, doctors' fees and other related expenses thereafter incurred by such employee as a result of any recurrence or aggravation of said injury or illness which cause him to be so pensioned; however, both the City and

Providence Lodge No. 3 recognizes that there are numerous facets of the problem which must be explored and studied and, therefore, it is agreed by the City and Providence Lodge No. 3 that they will continue negotiations in this area with a view to arriving at a clause which will accomplish the objective of furnishing such protection to such employee.

ARTICLE XI.

Section 1. RULES AND REGULATIONS

The City of Providence agrees to furnish each member of the Police Department with a complete set of Rules and Regulations governing the Police Department.

ARTICLE XII.

An individual having a grievance may either present his grievance to his immediate superior or he may present his grievance to the Executive Board of Providence Lodge No. 3 in accordance with the provisions of Paragraph B hereof. In the event a member presents his grievance to his immediate superior every effort shall be made to resolve the grievance on this level before resorting to formal procedures. If the grievance cannot be satisfactorily settled it may be referred by the employee involved to the appropriate Commander who shall make a serious and sincere attempt to settle the complaint.

B. Where an employee has brought his grievance to his immediate superior and has followed the procedure set forth in Paragraph (A) hereof and such procedure has failed to resolve the grievance, the individual may, in writing, bring the grievance to the attention of the Executive Board of Providence Lodge No. 3. Said Executive Board, shall, within five (5) days of the receipt of said grievance, arrange for the individual to present his alleged grievance at a meeting of the Executive Board. It shall

C. The Chief of the Police Department or his delegate, shall meet with the President or Vice President of Providence Lodge No. 3 within ten (10) days of receipt of a request from said officer of Providence Lodge No. 3. Within ten (10) days (unless otherwise agreed upon) of the first meeting between the Chief of the Police Department and the President or Vice President of Providence Lodge No. 3, the Chief shall render his decision in writing, a copy of the same to be delivered to the President or Vice President of Providence Lodge No. 3.

D. If the decision of the Chief of the Police Department is not acceptable to Providence Lodge No. 3, a committee shall be created for the purpose of arriving at a final resolution of the problem. This committee shall be composed in the following manner: The Chief of the Police Department or some person designated by him as his representative; the President of Providence Lodge No. 3, or a member of that organization so designated by the President of Providence Lodge No. 3; a third disinterested member who shall be agreed upon by the first two members. If agreement

cannot be reached on the third member within five (5) days of the decision to follow this procedure, Providence Lodge No. 3 may request the assignment of an Arbitrator by the American Arbitration Association.

The decision handed down by this committee shall be submitted to the Commissioner of Public Safety and shall be binding in nature as to all matters, except matters of discipline within the department and personnel transfers, and as to those matters the decision shall be advisory in nature.

Fees and necessary expenses of the neutral member only shall be borne equally by the parties.

E. The parties hereto agree that Providence Lodge No. 3 shall have the right to designate an employee on the day shift who shall handle all grievances under this Agreement and who may act on behalf of any employee.

The City further agrees that such employee shall normally work the same tour of duty as the Commissioner of Public Safety and the Chief of the Police Department.

ARTICLE XIV.

Section 1. BLUE CROSS AND PHYSICIAN'S SERVICE

Section 3. VACATION SCHEDULE.

Vacations for the Fire Force, as defined in Department Regulations, shall be chosen by rank on a seniority basis, in each number and in each district.

With all seven (7) numbers choosing, two (2) members will be allowed on vacation from each number in each district for each vacation period. Fourteen (14) members will be allowed on vacation in each district for each vacation period for a total of fifty-six (56) members of the Fire Force of the Department on vacation in each vacation period.

The number of members allowed on vacation at one time within each Special Service Division shall be subject to the operational requirements of the particular Division as determined by the particular Division Head in accordance with past practices.

If in the judgment of the Chief of Department, this schedule reduces the manpower available below the level of safe operation, or in the event adequate personnel are available, the Chief of Department may vary this schedule accordingly.

Section 4. SPECIAL VACATIONS.

Special vacations approved by the Chief of Department shall not replace a regular vacation choice and shall be in addition thereto rather than in substitution thereof.

Section 5. SPLIT VACATIONS.

Subject to the provisions of this paragraph, any employee, in each calendar year and following the anniversary date in which he completes ten (10) years of continuous service, and in each calendar year thereafter, shall have the option of taking two (2) consecutive calendar weeks during the regular vacation period and one (1) week outside the regular vacation period.

Two (2) members of the Fire Force from each number will be allowed to be on this split vacation schedule at any one time, unless, in the judgment of the Chief of Department, this schedule reduces the manpower available below the level of safe operation.

the particular Division Head.

All split vacation requests shall be submitted to the Chief of Department no later than December 1, of the year previous to the vacation choice. It is understood that the vacation schedule shall be posted at least three (3) weeks before the start of the regular vacation period. It is further understood and agreed that this Article will be reviewed prior to the time when selection shall be made for vacations under the second fiscal year to determine whether additional men can be permitted on vacation during the regular vacation periods.

The following holidays shall be paid holidays for all members of the department:

New Year's Day	Columbus Day

(B) The clothing allowance above set forth shall be for the replacement of clothing and equipment only. Any new issue or item of clothing or equipment prescribed by the Department shall be furnished to members of the Department at the City's expense.

(C) The City shall furnish members of the Rescue Squad with winter jackets, and shall furnish members of the Fire Alarm Line Crews with foul weather gear.

ARTICLE IX.

Section 1. SICK LEAVE.

Sick leave shall be granted at the rate of fifteen (15) days per year accumulative to one hundred twenty (120) days, per year, provided, however, that the Commissioner of Public Safety may grant an additional ninety (90) days' sick leave to members with ten (10) years' service or more within the department.

Section 2. REASONS FOR SICK LEAVE.

Sick leave for members of the fire department shall be granted for the following defined reasons:

(a) Personal illness or physical incapacity to such an extent as to be rendered thereby unable to perform the duties of his present position.

(b) Attendance upon members of the family within the household of the employee whose illness requires the care of such employee; provided that not more than seven (7) working days with pay shall be granted to the employee for this purpose in any one quarter, nor for more than fifteen (15) working days in any one calendar year. (Employees can be required to sign an affidavit stating that there is no possible way to make other arrangements).

(c) Enforced quarantine when established and declared by the Department of Health or other competent authority for the period of such quarantine only.

(d) Death of a mother, father, wife, child, brother, sister, mother-in-law, father-in-law, or other member of the immediate household provided that in such cases the leave shall not extend more than one day beyond the date of burial of said deceased person and provided further that in the cases of employees of the Jewish Faith, said leave shall be for the actual period of mourning observed, but not to exceed seven (7) days from day of burial.

(e) Death of other relatives provided that in such cases the leave with pay shall be for not more than one (1) day to permit attendance at the funeral of said person. (Affidavit may be required).

(f) Sick leave may be taken without a doctor's certificate for two (2) days, but an employee on sick leave may be examined at any time by a doctor selected by the Chief or Acting Chief of the Department.

ARTICLE X.

Section 1. INJURIES.

Members of the Fire Department who are injured in the line of duty shall receive full salary while their incapacity exists, or until they are placed on disability retirement. All injuries and recurrences of injuries shall be reported as required by Department Regulations.

Section 2. MEDICAL CARE FOR INJURIES.

Medical care for those injured in line of duty shall be as follows:

(a) Those members injured in line of duty whose condition requires hospitalization shall be sent to a hospital and shall have the right to select a physician from the staff of that hospital. The choice shall be made by the injured person or if his condition prevents him from making his choice, by a resident physician at the hospital. The physician so selected shall be the injured person's private physician.

(b) In other cases involving injuries in line of duty which do not require hospitalization, the injured individual shall have the right to be treated by a physician of his own choice.

(c) When a member has suffered a minor injury in line

of duty, which does not require the care of a physician, a report on the injury and treatment shall be made to the Chief of the Department in accordance with regulations.

(d) When a member has suffered an injury in line of duty and subsequently claims a recurrence of that injury, he shall then be examined by the Department physician. If the Department physician finds that the present condition is not related to the previous injury, the member then shall be entitled to be examined by the physician who attended him for the original injury. If the opinion of the member's private physician is in conflict with that of the Department physician as to whether or not the member's condition is a recurrence of a previous injury in line of duty, then a third physician mutually agreeable to the Department physician and the member's physician shall examine said member, and the opinion of the physician so selected shall be conclusive on the parties. If it is finally determined that said injury is a recurrence of a previous injury in line of duty the Department shall be responsible for payment of member's medical expenses.

(e) The City agrees to pay all expenses for inoculation or immunization shots for members of an employee's family when such becomes necessary as a result of said employee's exposure to contagious diseases where said employee has been exposed to said disease in the line of duty.

Section 3.

The City agrees to defray all funeral and burial expenses of any member "killed in the line of duty" up to a maximum of One Thousand (\$1,000.00) Dollars.

Section 4.

The City recognizes that there is merit in the proposal of Local 799 that any member placed on the accident or disability pension list for injuries or illness suffered or contracted in the line of duty, be protected against medical expenses, doctor's fees and other related expenses thereafter incurred by the member as a result of any recurrence or aggravation of the injury or illness which caused him to be so pensioned; however, both the City and Local 799 recognize that there are numerous facets of the problem which must be explored and studied and therefore, it is agreed by the City and Local 799, that they will continue negotiations in this area with a view to arriving at a clause which will accomplish the objective of furnishing such protection to such member.

ARTICLE XI.

Section 1. RULES.

A verbal order of departmental or district application intended to remain in force for more than one cycle shall be confirmed by a written order.

ARTICLE XII.

Section 1. SALARY FOR THE FIRE FIGHTERS.

Salaries for the fire fighters of the City of Providence shall be as follows:

The City agrees to assume the cost of family coverage under the Rhode Island Hospital Service Corporation (Blue Cross), in the present Semi-Private Plan and Family Coverage under the Rhode Island Medical Society Physicians Service, Plan A, for all employees covered by this Agreement, subject to the rules and regulations

of those corporations. In the case of an unmarried member, individual coverage is to be furnished.

ARTICLE XIV.

Section 1. AUTOMOBILE ALLOWANCE.

Members of the Department who routinely use their private automobiles in the fulfillment of their duties, shall be reimbursed by the City at the rate of Forty (\$40.00) Dollars per month. Said Executive Board member shall, within five (5) days of the receipt of said grievance, arrange for the individual to present his alleged grievance at a meeting of a majority of the Executive Board. It shall be the responsibility of the Executive Board to determine the justification of the complaint. If, in the judgment of the Executive Board, the nature of the grievance justifies further action, it shall, through the President or Vice President of Local 799, carry the grievance to the Chief of the Fire Department.

(c) The Chief of the Fire Department shall meet with the President or Vice President of Local 799 within ten (10) days of receipt of a request from said officer of Local 799. If either party feels it is necessary, the individuals involved in the grievance shall be ordered to appear before the Chief of the Fire Department and the President or Vice President of Local 799 for the purpose of testifying on the grievance. Within ten (10) days (unless otherwise agreed upon) of the first meeting between the Chief of the Fire Department and the President or Vice President of Local 799, the Chief shall render his decision in writing, a copy of the same to be delivered to the President or Vice President of Local 799.

(d) If the decision of the Chief of the Fire Department is not acceptable to Local 799, a committee shall be created for the purpose of arriving at a final resolution of the problem. This

committee shall be composed in the following manner: The Chief of the Fire Department or some person designated by him as his representative; the President of Local 799, or a member of that organization so designated by the President of the organization; a third disinterested member who shall be agreed upon by the first two members. If agreement cannot be reached on the third member within five (5) days of the decision to follow this procedure, the Union may request the assignment of an Arbitrator by the American Arbitration Association.

The decision handed down by this committee shall be submitted to the Commissioner of Public Safety for his consideration and shall be advisory in nature.

Fees and necessary expenses of the neutral member only shall be borne equally by the parties.

To the Honorable the City Council
of the City of Providence
City Hall
Providence, Rhode Island

Gentlemen:

In accordance with the provisions of Section 20 of the Charter of the City of Providence, I am returning herewith, with my disapproval, a resolution read and passed at the September 7, 1967 meeting of the City Council.

In the notice of service I find that the City Sergeant did not actually serve Southland Realty, Inc. a major land owner abutting the proposed abandonment. In view of the effect that this resolution would have on the property owned by Southland Realty, Inc. I feel that notice should have been served in accordance with the statute in order to give Southland Realty, Inc. a chance to object prior to the abandonment by this body.

For this reason, I am returning this resolution with my disapproval and veto.

Sincerely,

Joseph A. Doorley, Jr.
Mayor of Providence

SUBJECT: Referral No. 1588 - ABANDONMENT OF COLERIDGE COURT

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, January 17, 1967.

This referral is a request to abandon as a public highway Coleridge Court from Federal Street to its southerly termination.

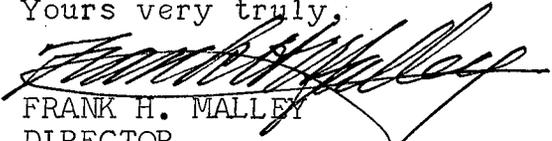

On an inspection and photographic survey it was found that the street is now being used as an entrance to an adjoining parking lot at the rear of an office building. The parking lot is paved and holds approximately 14 cars. The neighborhood is in poor to fair condition.

The use of the area for a parking lot greatly reduces the parking congestion on neighboring streets. Therefore,

The Commission

VOTED: To offer no objection to the granting of this petition, providing that the abandonment does not adversely affect access to the parking lot.

Yours very truly,

FRANK H. MALLEY
