Re: Clean Energy Task Force, Ordinance no. 355

December 12, 2006

Dear Council President Lombardi,

Thank you again for your leadership in bringing clean energy to Providence.

The Environment Council is pleased to announce the replacement of its representative to the Clean Energy Task Force. Sheila Dormody has been chosen to replace Chris Wilhite to represent the Environment Council of Rhode Island. Ms. Dormody also serves as the Past President of ECRI and is the Rhode Island Director for Clean Water Action.

Her full contact information is listed below. Please feel free to contact me if you have any questions.

I look forward to the Clean Energy Task Force's success in obtaining 20% of the City's electricity by the year 2010.

Sincerely,
