The Honorable Ralph Fagnoli
President, Providence City Council
City Hall
Providence, Rhode Island

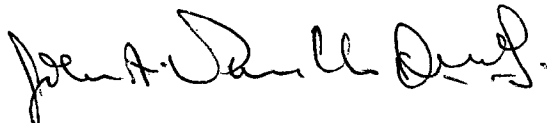

Dear Ralph:

I am making a request on behalf of the DeGregorio Family to have a pole and light installed at the end of Leige Street, Providence, opposite No. 51. The street is a dead end street, and they informed me that because there is no light, there does exist a hazard because of the many trees in the area.

Will you kindly take this request under consideration.

Very truly yours,

Liege
