SUBJECT: Referral No. 1847 - ABANDONMENT PORTION MATHEWSON STREET

Gentlemen:

This petition from the Committee on Public Works is a request for the abandonment of that portion of Mathewson Street which presently lies between Sabin Street and Fountain Street.

The proposed abandonment is part of an overall plan for the widening of Sabin Street to accommodate a heavier flow of traffic. Mathewson Street will be moved in a westerly direction to provide space for a Journal Company loading area to replace the space acquired on Sabin Street.

The Commission

VOTED: To offer no objection to the granting of this petition.

Very truly yours,

Dear Sir:

Re: Mathewson Street (Portion)
Aleppo Street (Portion)
South Street (Portion)

The petition for the abandonment of portions of the above captioned streets have been studied by this department, and it is recommended that neither Aleppo Street nor South Street be abandoned, because of existing sewers within the streets. Aleppo Street contains a 36" combination sewer and a slot manhole. South Street contains a 12" sanitary sewer and also an 18" and 24" storm sewer.

It is recommended that Mathewson Street, (Between Fountain St. & Sabin St.) to the proposed street line of Sabin Street be abandoned as indicated on Plan No. 063573, P.W. Dept.-Engineering Office, Street Line Section, Date: August 15, 1972.
