Dear Ms. Stetson:

I am writing in response to your letter dated February 9, 2006, regarding the petition to the City Council requesting the name change of Bullock Avenue to Case Lane. Presently there are no properties listed on this street and there are no similar street names in this zip code area, therefore, we do not foresee any problems with the street name change.

As discussed, it would be extremely helpful when sending these proposals if your office could let us know if there are properties involved in their name changes or if it is a dedicatory issue.

Thank you for bringing your pending proposal to our attention and affording the U.S. Postal Service the opportunity to provide you with input.

Sincerely,
