Re: Proposed conversion to One-Way Service Road 3 and Troy Street

Dear Anna:

I am proposing to convert Troy Street (Dike Street to Westminster St) and Service Road 3(Dike Street to Westminster St.) from two-way traffic to one-way traffic. The proposed one-way traffic will be northbound on Troy Street and southbound on Service Road 3. This proposal is to alleviate an accident problem for traffic exiting Service Road 3 onto Westminster St. and to allow on-street parking on Troy St. This proposal requires city council approval. Please put this on the agenda for the next city council meeting.

Very Truly Yours
