The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

RE: Resolution No. 166  
April 14, 1978

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

**Request:** That the Traffic Engineer is requested to undertake a survey to determine the necessity for the installation of STOP FOR PEDESTRIAN signs along South Main Street from James St. to Planet St.

**Disposition:** A new crosswalk will be painted during our 1978 summer season. When the crosswalk is painted, the proper signs will be erected.

Very truly yours,

Frank A. Tibaldi  
Traffic Engineer
