Providence City Hall

Dear Councilwomen DiRuzzo:

This letter will serve to respond to your September 10, 1992 letter regarding the proposed resolution to add the number 650 to the building at 652 Elmwood Avenue.

As this action does not disrupt the numbering sequence along Elmwood Ave., we recommend approval of this resolution.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Sincerely,
