The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That Leah Street, from Atwells Avenue to Fairmont Avenue, in a northerly direction, is established as a one-way street.

Disposition: Denied. A one-way traffic pattern is not warranted at this time because of the low traffic volumes using Leah Street from Atwells Avenue. In addition, we feel that speeding would become a problem if this street were made one-way.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".

Traffic Engineer
