Councilwomen Josephine DiRuzzo
Chairwoman, Urban Redevelopment
Renewal and Planning Committee
Providence City Hall
25 Dorrance Street
Providence, RI 02903-1739

Dear Councilwoman DiRuzzo:

This letter will serve to respond to your January 22, 1992 letter regarding the proposed resolution to assign names for the streets in the Capital Center Project.

With the exception of Joslin Court, the proposed names do not conflict with any other names within the City of Providence and we recommend their approval.

Our suggestion for Joslin Court would be to name it Citizens Plaza. This would give the Bank building a locatable address, that it presently does not have, and it will also avoid confusion with Joslin St. in the Olneyville section.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Sincerely,
