ATTORNEY GENERAL

September 28, 1982

TO: Honorable President and Members of
the Providence City Council

Dear Sir or Madam:

During the recent term of the Statewide Grand Jury for the State of Rhode Island, an investigation was undertaken into Bingo in the State of Rhode Island. I am pleased to report to you that this was a most comprehensive investigation which resulted in numerous indictments for violations of the State's bingo laws.

In addition to these indictments, the Grand Jury has issued a Special Report on Bingo in Rhode Island and has directed that a copy of that report be sent to every City and Town Council in Rhode Island and every police department in Rhode Island.

Accordingly, I am enclosing the Special Report of the Statewide Grand Jury. If you or any member of your community has any questions about the report itself or the recommendations of the Grand Jury, my office will be happy to assist. Please contact Maureen McKenna Goldberg at 274-4400.

Very truly yours,

DENNIS J. ROBERTS II
Attorney General

SEPTEMBER, 1982

IN RE: Statewide Grand Jury Investigation

We, the Statewide Grand Jury, conducted an investigation of Bingo in conjunction with the Attorney General's Department and the Rhode Island State Police. We heard testimony from over forty-five (45) witnesses and engaged the services of two State accountants from the Rhode Island Bureau of Audits to examine certain records.

We make the following findings:

1. That no Bingo which we investigated in the State of Rhode Island is conforming to all of the requirements of the present Bingo statutes.
2. That Bingo is a multi-million dollar business and is the only form of legalized gambling that is not regulated by a State agency.
3. That some of the charities running Bingos in Rhode Island may not really be charities, and that some of these so-called charities may be operating in violation of the Rhode Island Charitable Solicitation Act.
4. That city and town officials are not aware that the present Bingo statutes require them to license and regulate Bingos even though there were some Bingos operating in their cities or towns, and that some Bingos may be violating a number of the requirements of the Bingo statutes. At some of these Bingos, off-duty city and town police officers were regularly present and took no action to correct these violations.
5. That some Bingos exist in Rhode Island to make a profit for the Bingo operators or for the people who rent space, supplies and equipment.
6. That in one large commercial Bingo the rentors of supplies, equipment and space exceeded the expense requirements provided by State law, resulting in three (3) charities at that one Bingo losing approximately one hundred thousand dollars in a two-year period.

7. That some of the large Bingo operations were not conforming to the State Sales Tax laws requiring the collection of six percent State Sales Tax, possibly costing the State thousands of dollars in lost tax revenue each year.

8. That the present Bingo statutes make the R.I. Division of Taxation a recipient of quarterly Bingo financial reports, which is not in keeping with the Division's main function as a tax collection agency.

9. That, because there exists large, commercial Bingos operating in Rhode Island, which are not regulated by any State agency, these Bingos have an unfair advantage over the smaller Bingos which operate solely for the benefit of the charity and which operate in substantial compliance with existing Bingo laws.

Based upon the foregoing and based upon the testimony which has been received during the course of this investigation we make the following recommendations:

1. That some State Agency be given the responsibility of licensing and regulating Bingos, and the power to promulgate rules and regulations to govern the conduct of Bingos operating in the State of Rhode Island.

2. That the State of Rhode Island tax Bingos a percentage of the gross receipts taken in, as it taxes other forms of legalized gambling to insure that the State Agency's costs to license and regulate Bingos are paid for, and in particular those costs that would be associated with strict enforcement of the Bingo laws.

3. That pending any further changes in the present Bingo laws, each of the 39 cities and towns take a closer look at the Bingos operating within their jurisdiction to insure that they are licensed, that they are operated by legitimate charities and are being run in strict accordance with present Bingo laws. A copy of this report will be sent to every City and Town council and every police department in Rhode Island.

4. That the R.I. Division of Taxation audit two large Bingo operations to recoup several thousands of dollars in unreported State Sales Tax monies due the State of Rhode Island.

5. That the R.I. Department of Business Regulation continue to give notice of the requirements of the Charitable Solicitation Act to all charities raising money through Bingo.

6. Finally, we strongly recommend that R.I.G.L. §11-19-30 through §11-19-31 be amended by the Legislature in accordance with the above recommendations and to provide for stricter criminal penalties for any and all violations.

We commend the Rhode Island State Police, the Attorney General's Office, the Rhode Island Bureau of Audits and the Rhode Island Division of Taxation for their efforts and the insight which they furnished us during this investigation.
