PUBLIC PARKS
CITY OF PROVIDENCE

INTER-OFFICE MEMO

Rose, we at the Parks Dept. do not have the ability or the authority to do street repaving as requested in this resolution. Streets are the jurisdiction of DPW. Are you sure this shouldn't have gone to DPW?
Please advise.

RE: CITY COUNCIL RESOLUTION

I received a copy of the City Council Resolution requesting the Park's Department to pave Power Street at the entryway to Engineers Field.

The Park Department has no jurisdiction over roads. If you send the request to Tony Stanzone of the Public Works Department, I'm sure he will be able to accomodate the request.
